POLICY ON ACADEMIC HONESTY

1. All students / faculty members / staff members / stakeholders of the Periyar Maniammai Institute of Science & Technology are expected to do their work themselves in order to earn the academic credits. The University upholds academic honesty and integrity in all the spheres of its activity.
2. Students who resort to unfair activities such as copying from the original work of others or seeking the help of others for completing their assignments or indulging in malpractices in examinations or tests or other evaluations are considered dishonest.
3. Also, allowing others to copy from one's work, or permitting someone else to use one's work for earning academic credits are academic dishonesty.
4. Causing hindrances or obstacles to a faculty member / student or preventing her / him from realizing their academic goals / aspirations in their pursuit of research and scholarly activities are academic dishonesty.
5. Any evidence of academic dishonesty among its students will entail them to lose all marks in the assignment or examination, or subject them to more stringent penalties, besides their names being notified to the Office of the Dean (Academics) for inclusion in their confidential records.
6. This policy is to uphold the reputation of the Institution for the benefit of its students, faculty members and other stakeholders.

BRIEF HISTORY OF THE INSTITUTION

Periyar Maniammai Institute of Science & Technology has had its origin from Periyar Maniammai College of Technology for Women established in 1988, by Periyar Maniammai Educational and Charitable Society, Chennai. Named after the great social reformer of the twentieth century, E.V. Ramasamy, fondly known as Thanthai Periyar and his philanthropic wife Annai Maniammayar, the Periyar Maniammai College of Technology for Women has its credit of being the first Women's Engineering College in the world. The primary object of the college was on institutionalizing the lofty ideals of Periyar by paving the way for women's emancipation by providing increased access to higher education in Science and Technology and encouraging their participation in social, national and global development.

The College was started with the approval of All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirapalli, Tamil Nadu. Later, it started functioning under affiliation to Anna University, Chennai from 2001.

The College has made several landmark achievements continuously in the field of Technical Education, and in the areas of Women Empowerment and Social Development since inception. In addition to the under graduate, postgraduate and doctoral programmes in Humanities, Science, Engineering, Architecture and Technology, it has rendered a yeoman service in the area of health and hygiene for rural people and provided viable technology-inputs for their social and economic well being.

Gone are days when women were discriminated against on gender bias. Thanthai Periyar wanted women to take up their right role in all walks of life. Women and Men are equal in all respects. Hence, Co-education is the need of the hour. In tune with this principle, the University has been offering Co-education in all branches of learning.

Considering its academic excellence in teaching, research and extension programmes and many socially relevant projects, the Government of India / MHRD had conferred the Status of Deemed to be University on the College under section 3 of the UGC Act, 1956 on the recommendation of the UGC, New Delhi on August 17, 2007.

The Periyar Maniammai Institute of Science & Technology is located on a land area of 216 acres, which once were barren and dry and unfit for human habitation and agricultural cultivation in a typically rural area. This land has been transformed into a land of thick foliage, green vegetation and a technology-hub. It is an energy efficient pollution-free, zero waste and well-laid campus with an ambience for learning. By its location, the campus offers an ideal environment for teaching, research and living. Though situated in a rural setting it has all the advantages of any urban location.

The Institution is situated at 10 km towards west from Thanjavur and 45 km on the east from Tiruchirapalli and is easily accessible by road, rail and air. The institution has got accreditation from NBA since 1998 for selected courses. Further the Institution has got NAAC accreditation. The Institution has also implemented the innovative examination pattern inline with European Credit Transfer and Accumulation System (ECTS).

Periyar Maniammai Institute of Science & Technology is providing high quality education at Undergraduate, Postgraduate and Doctoral levels in an environment that promotes innovation and creativity, scholarly pursuits by creating state-of-the-art infrastructure, employing competent faculty and committed support staff, world-class instructional and learning facilities, all driven by its values. It will reach out to the un-reached, explore new avenues of education to fulfill the knowledge and skill needs of the Nation, particularly of industries, business and social sectors.

Periyar Maniammai Institute of Science & Technology shall be alive to the changing socio, techno-economic needs of the nation, and with its futuristic outlook will deliver education that works and emerges as an institution of national importance. In appreciation of the fact that the Universities are one of society's key institutions available today to respond to changing societal imperatives, Periyar Maniammai Institute of Science & Technology has worked on new road maps and made appropriate changes in the role, based on intelligent redesign of its offerings and enhancement of quality of its service, including the quality of the total experience of its scholars and teachers and stake-holders. It shall investigate and solve the most challenging, fundamental problems in many fields of science and technologies in a singularly congenial, interdisciplinary atmosphere, while producing outstanding graduates to become creative.

members of society. The strength of the Institution lies in its commitment to continuously improve its system and people.

The Periyar Maniammai Institute of Science & Technology seeks to provide a learning institution that will enable it to meet its declared mission viz. to provide the highest quality of education, training, research and consultancy.

The Institution has excellent infrastructure, state-of-the art laboratories, and modern equipments and student amenities. The entire Institution campus is networked through optical fibre cablings and Wi-fi connectivity. Periyar Maniammai Institute of Science and Technology had signed MoU's with several International, National and Regional Institutions and Industries. This enables for Training and Placement of students globally.

Periyar Maniammai Institute of Science & Technology (PMIST) has established the PMU - Bosch Rexroth Centre of Excellence for Training and Research in Automation Technologies in collaboration with Bosch Rexroth. The uniqueness of this institute lies in its state of the art technology, which has world class equipments, training kits, hardware, software and teaching aids with adequate faculties trained from Rexroth Germany. The Centre aims at training the industry personnel and students of various institutions from Engineering Degree, Diploma and Certified courses in the Automation field to enable our industry personnel, faculty and students to have hands on experience and upgradation of technical skills which are essential for industry progress.

Periyar Maniammai Institute of Science & Technology e-governance team comprised of faculty members and students. This team is responsible for maintaining hardware and software, developing and maintaining the website and developing software which supports governance of the Institution. BRAIN (Brilliant Resources for Academic Institutions) is an ERP (Enterprise Resource Planning) package developed with a prime motive of automating all the activities. This software enables user-friendly information access by the management, staff and students. As the entire data is available in the database, any analysis can be done at any desired point of time. Easy User interface design makes the system easier for staff and students.

ADMISSION

As per Rules and Regulations of the UGC, New Delhi and statutory bodies concerned, students are selected for admission into various programmes. All Admissions to Architecture degree course shall be subjected to passing of National Aptitude Test in Architecture (NATA) conducted by the COA and JEE Main paper - II by CBSE (Central Board of Secondary Education) as per merit.

ACADEMIC REGULATIONS AND INFORMATION

All the programmes have regulations which are given on yearly basis. The regulations for the 2015-16 and 2016-17 follow the Regulations 2015 with its amendments. 2017-18 will follow 2017 Regulation. The regulation book contains all details related to academic process and rules. There are few rules which are common are given below.

1. Credit System:

Credit system followed for the 2014-15 intake is based on European Credit Transfer and Accumulation System. ECTS is one of the corner stones of the European Higher Education area. The ECTS system initially divides students between pass and re appearance groups, and then assess the performance of these two groups separately. The Choice Based Credit System (CBCS) allows the students to earn their credits according to their interests.

1.1 2014-15 intake

Relative Mark Grading System

Grade	2014-2015 Intake
	Weightage (W)
A	$W > 68$
B	$59 < W < 68$
C	$51 < W < 59$
D	$42 < W < 51$
E	$W < 42$

Absolute Mark Grading System

If a course has less than 10 students for valuation, the letter grades may be awarded based on the absolute marks as given below.

Grade	2014-2015 Intake
	Marks
A	> 82
B	74 - 81
C	66-73
D	58-65
E	50-57
U	< 50

2. Overall attendance requirement

1	Overall 80% and above	Eligibility to write all examinations.
2	Overall 70% and above but below Overall 80%	Shortage of attendance is to be condoned on medical grounds with proper documents. Condonation fee of Rs. 300/- per course is to be paid by the students. <i>Medical reasons - Granting of permission on production of all the necessary medical documents (like hospitalization, medical problem, treatment, Medical bills etc) and medical certificate from a registered medical practitioner not below the rank of a Civil assistant surgeon.</i>
3	Below Overall 70%	Not eligible to write all the regular courses of that semester and redo the courses when it is offered.

There may be a student whose overall attendance is equal to or above 80%/70% (70% in case of medical grounds) and for that student, there may be some course's attendance below 80%/70% (70% in case of medical grounds). In that case, the student can be allowed to write the examinations in the regular stream for the courses in which the student attained the required attendance 80%/ 70% (70% in case of medical grounds).

Moreover, for the courses in which the attendance is less than 80% / 70% (70% in case of medical grounds), the student is permitted to write the courses as supplementary in the subsequent semesters after the payment of condonation fee and compensating the lack of attendance.

3. Attendance requirement for Continuous assessments

A student should attain at least 80% attendance to qualify for taking all written Formative Assessments of theory part and mid semester exam of lab part.

If a student secures less than 80%, she/he will be allowed to take CA-I and CA-II as supplementary exam after gaining 80% attendance and paying fees of Rs. 75 per theory paper for CA-I, CA II and Rs.100 per practical exam for the mid semester laboratory part. In addition, this provision is given to students who have lost their attendance due to (a) medical reasons (with proper documents) or (b) represented the University activities and (c) other than (a) and (b) with prior permission from Dean (Academic).

If a student could not secure 80% attendance within the supplementary schedule for CA I and CA-II she/he can continue the course but will not be given supplementary exams.

If a student could not pass the Formative Assessments, she/he should take the exam in the forthcoming semesters with the approval of department Head, School Dean and Dean (Academics).

Special Exams: Participation on behalf of Institution in curriculum / Sports Event or related work or any other activity as recommended by the HOD/ Authorities. This is applicable for all exams.

The following letter grade will appear in the mark sheet for every course for the attendance gained in that course.

Performance	Letter Grade	% of Attendance
Outstanding	O	>=95%
Medium	M	>=85% and <95%
Satisfactory	S	>=80% and <85%

WHAT CONSTITUTES RAGGING

Ragging constitutes one or more of any of the following acts

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b. Indulging in rowdy or in disciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e. Exploiting the service of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students;
- f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by student;
- g. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- h. Any act or abuse by spoken words, e-mails, post, public insults which would also include deriving perverted pleasure, vicarious thrill from actively or passively participating in the discomfiture to fresher or any other student;
- i. Any act that affects the mental health and self confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.
