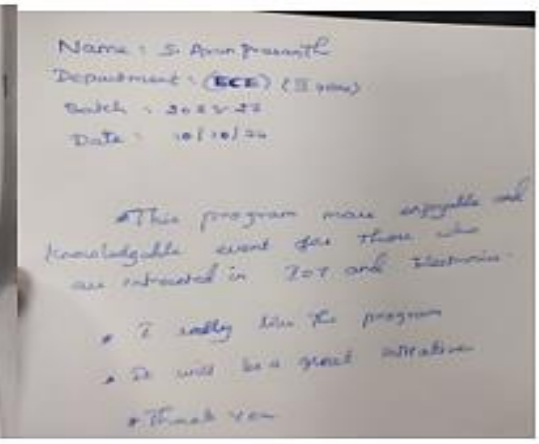
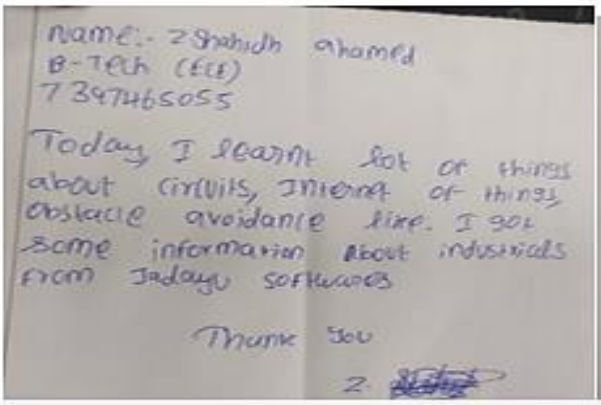
FEEDBACK
In this session it useful to me
I have learned about IoT,
Robotics, Artificial & Helps to
Improve the knowledge about
making own project in electronics
using IoT's



Name : S. Arun Prasath
Department : (ECE) (II year)
Batch : 2022-26
Date : 10/10/24
*This program more enjoyable and knowledgable event for those who are interested in IoT and Electronics
* I really like the program
* It will be a great initiative
*Thank you



Name:- Zahirudh Ahamed
B-Tech (ECE)

In this class (IOT), it's useful to learn. Its very helpful to learn.
I had learn about IoT, Robotics & Artificial.

Cumulative Feedback:

The overall feedback collected from students were summarized as follows

1. **Gained important information regarding IOT applications in Manufacturing requirements**
2. **Understood the Needs and importance and further study**
3. **Excellent eye opener session**

Outcome of the Programme

- **Enhanced Understanding of IoT Ecosystem**.
- **Positive Institutional Reputation**.
- **Networking with IoT Professionals.**

Coordinator **Convenor**
