Opportunities After Engineering Through GATE,ESE,PSU Date / Period: 11-10-2025 Time: 10.30 a.m. to 12 p.m. Report / Summary / Key points discussed: A special lecture on “Opportunities After Engineering through GATE, ESE, and PSUs” was organized to create awareness among students about various career paths available after completing their engineering degree. The session was delivered by Mr. Arjun Chhabra, who shared valuable insights on how students can effectively plan and prepare for competitive examinations such as GATE (Graduate Aptitude Test in Engineering), ESE (Engineering Services Examination), and recruitment processes in Public Sector Undertakings (PSUs). The speaker highlighted the importance of conceptual understanding, consistent preparation, and strategic time management for success in these examinations. He also discussed the benefits of qualifying GATE, including opportunities for M.Tech admission in premier institutions (IITs, NITs), research fellowships, and direct recruitment in PSUs such as BHEL, NTPC, IOCL, ONGC, and DRDO.
