**Value Added Course on Communication, Personality Development and
Interview Skills, 26th August to 5th September, 2024
Organized by
Department of Mathematics**

Outcomes of the programme:

The program on communication, personality development, and interview skills aims to achieve several key outcomes:

1. **Enhanced Communication Skills:** Participants will improve their ability to express ideas clearly and confidently in both verbal and written forms.
2. **Improved Personality Development:** The program will help individuals develop a positive self-image, boost self-confidence, and foster a proactive attitude towards personal and professional growth.
3. **Refined Interview Techniques:** Participants will gain valuable insights into effective interview strategies, including how to answer questions confidently, handle challenging situations, and make a positive impression.
4. **Increased Professionalism:** The program will enhance participants' understanding of professional etiquette, helping them to navigate workplace interactions more effectively.
5. **Overall Personal Growth:** By the end of the program, participants will have a better understanding of their strengths and areas for improvement, leading to overall personal and professional growth.
