ALUMNI LECTURE SERIES #01

Objective of the Programme:

The objective of the Alumni Lecture Series is to bridge the gap between academic learning and real-world application by providing current students with firsthand insights from successful alumni. Through these lectures, students gain valuable perspectives on industry trends, career development, and professional challenges directly from those who have navigated the path before them. This series aims to inspire and inform students, offering them practical advice and motivation to excel in their own careers while fostering a strong sense of connection to their institution's community and its network of accomplished professionals.

ABOUT HIM

Meet Vishal, a dynamic data enthusiast who graduated with a B.Sc Mathematics in PMIST (2018-2021) and went on to earn an M.Sc in Data Science from VIT, Vellore. Currently serving as a Project Admin and Data Analyst at The Hindu Newspaper in Chennai, We're excited to have them share their insights today."

Alumni Lecture Series #01
@ 11:30 am, Seminar Hall, PMIST
Organized by
Department of Mathematics
Report

Alumni Lecture Series #01 has been arranged by Department of Mathematics on 24.08.2024 at 11.30 am in Seminar hall, Education block, Periyar Maniammai Institute of Science & Technology (PMIST), Deemed to be University, Vallam, Thanjavur.

Ms. S. Nanthini, Research Scholar from the Department of Mathematics, commenced the event with a welcoming address. She expressed appreciation to all attendees and highlighted the significance of the alumni lecture series in bridging the gap between academic learning and real-world applications.

Dr. P. Vijayalakshmi, Dean of the Faculty of Science and Humanities and Associate Professor in the Department of Mathematics, delivered the presidential address. Dr. Vijayalakshmi underscored the importance of career guidance and professional development for students, emphasizing how the alumni's experiences could provide valuable perspectives on career pathways and industry demands.

Mr. A. Harikumar, Research Scholar in the Department of Mathematics, introduced the chief guest for the session. He provided a brief overview of the chief guest's professional background and accomplishments, setting a positive tone for the lecture series.

The lecture series, moderated by Mr. A. Vishal Prasanna, Project Admin & Data Analyst at The Hindu Newspaper, Chennai, commenced at 11:30 AM and concluded at 1:00 PM. Mr. Prasanna effectively facilitated the session, ensuring a smooth flow of the lecture and interactions with the audience.

The alumni lecture series featured a prominent alumnus who spoke about various career opportunities available to mathematics graduates. The focus was on how statistical methods are applied in data science and other fields. The alumnus provided real-world examples and shared insights into how mathematical skills can be leveraged in various professional roles, including data analysis, financial modeling, and research.

07_Programme Report

Ms. K. Rajeswari, Assistant Professor in the Department of Mathematics, delivered the vote of thanks. She expressed gratitude to the chief guest, the speaker, and all attendees for their participation. Ms. Rajeswari acknowledged the value of the insights shared and highlighted the importance of such initiatives in enhancing students' career prospects.

Outcomes of the programme:

Upon successful completion of this lecture, the participants will have

Alumni lecture series typically includes enhanced networking opportunities, valuable knowledge sharing, and strengthened community ties. It allows alumni to connect with peers and mentors, gain insights from industry experts, and foster a sense of belonging to their alma mater. For current students, it provides real-world perspectives and career advice, while also reinforcing their connection to the institution. Overall, the series aims to enrich both the professional and personal lives of participants and deepen their engagement with the university.
