HANDS ON TRAINING PROGRAMME

on

"IGNITE to Employability - Repair and Rehabilitation of Structures"

organized by

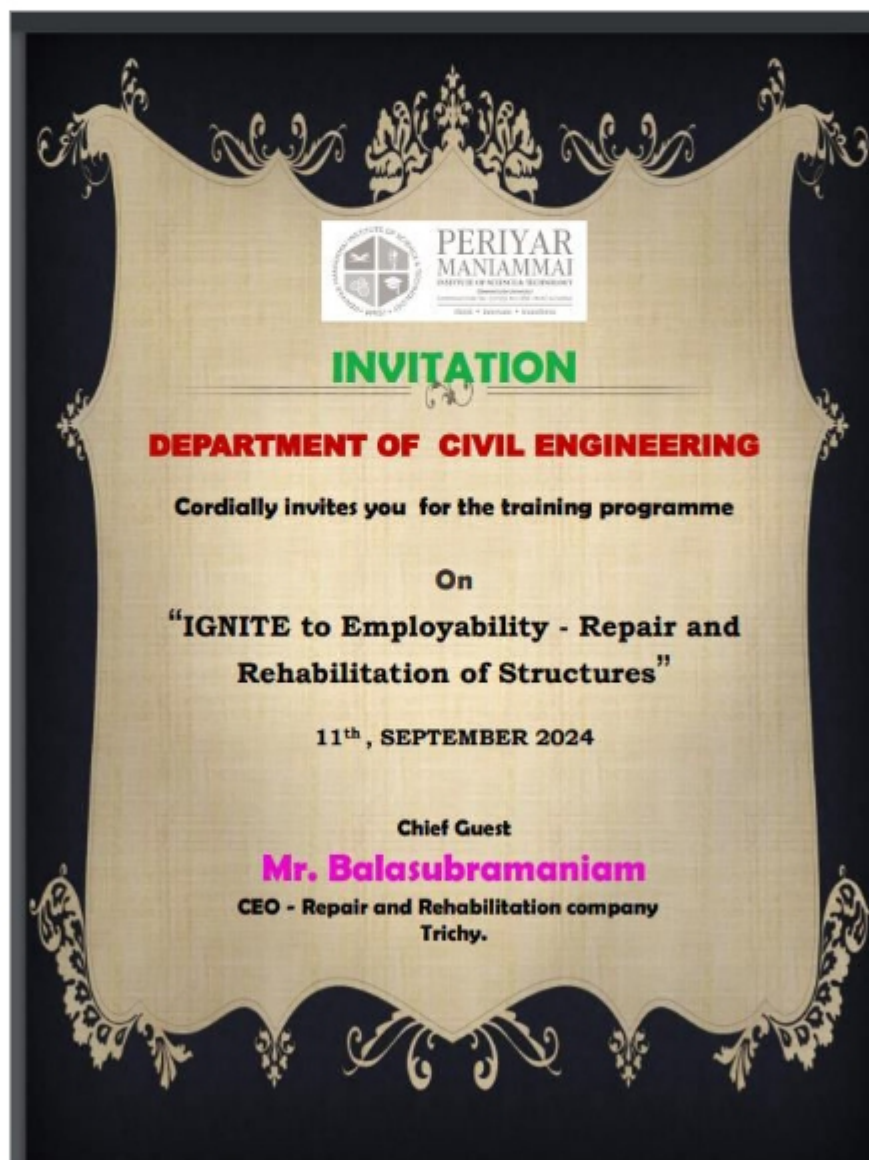

Department of Civil Engineering

Date : 11.09.2024

OBJECTIVE:

The training programme was conducted with the primary goal of bridging the gap between theoretical knowledge and practical application in the field. And also to enhance participants' understanding of modern repair techniques, rehabilitation strategies, and improve employability skills through practical exposure.

REPORT

Training programme on "Ignite to Employability - Repair and Rehabilitation of Structures", was organized by Department of Civil Engineering on 11.09.2024 for IV and III Year Civil Engineering students. Mr. G.Thirumal Murugan and Mr.D.Narendra Prasadh coordinated the programme.

The training was divided into both theoretical sessions and practical sessions, allowing the students to gain a comprehensive understanding of the repair techniques.

The theoretical session covered the topics like, Introduction to repair and rehabilitation techniques, Types of damages to structures, Structural strengthening and retrofitting and Safety procedures to be carried out in repair works.

The students were taken inside the campus of PMIST hostel highlighted the Case study and simulation of real-time scenarios. Participants were given the opportunity to work in small groups to perform tasks such as repairing cracks, reinforcing structural members, and applying various rehabilitation techniques. The training focused on the use of modern materials, innovative methods, and the latest industry trends in the repair and rehabilitation field.

Students gave positive feedback and requested to conduct more similar practical training programmes. Mr.G.Thirumal Murugan, delivered the thanks giving notes to the chief guest and the students.

Mr. Balasubramaniam, a multi-faceted Business Personality, CEO of Repair and Rehabilitation company explaining repair techniques.
