GUEST LECTURE
on
Standardization Concepts & Geotechnical
Impacts on “*Valuation of Assets*”

jointly organized by

Standard Club & Indian Geotechnical Society

In association with

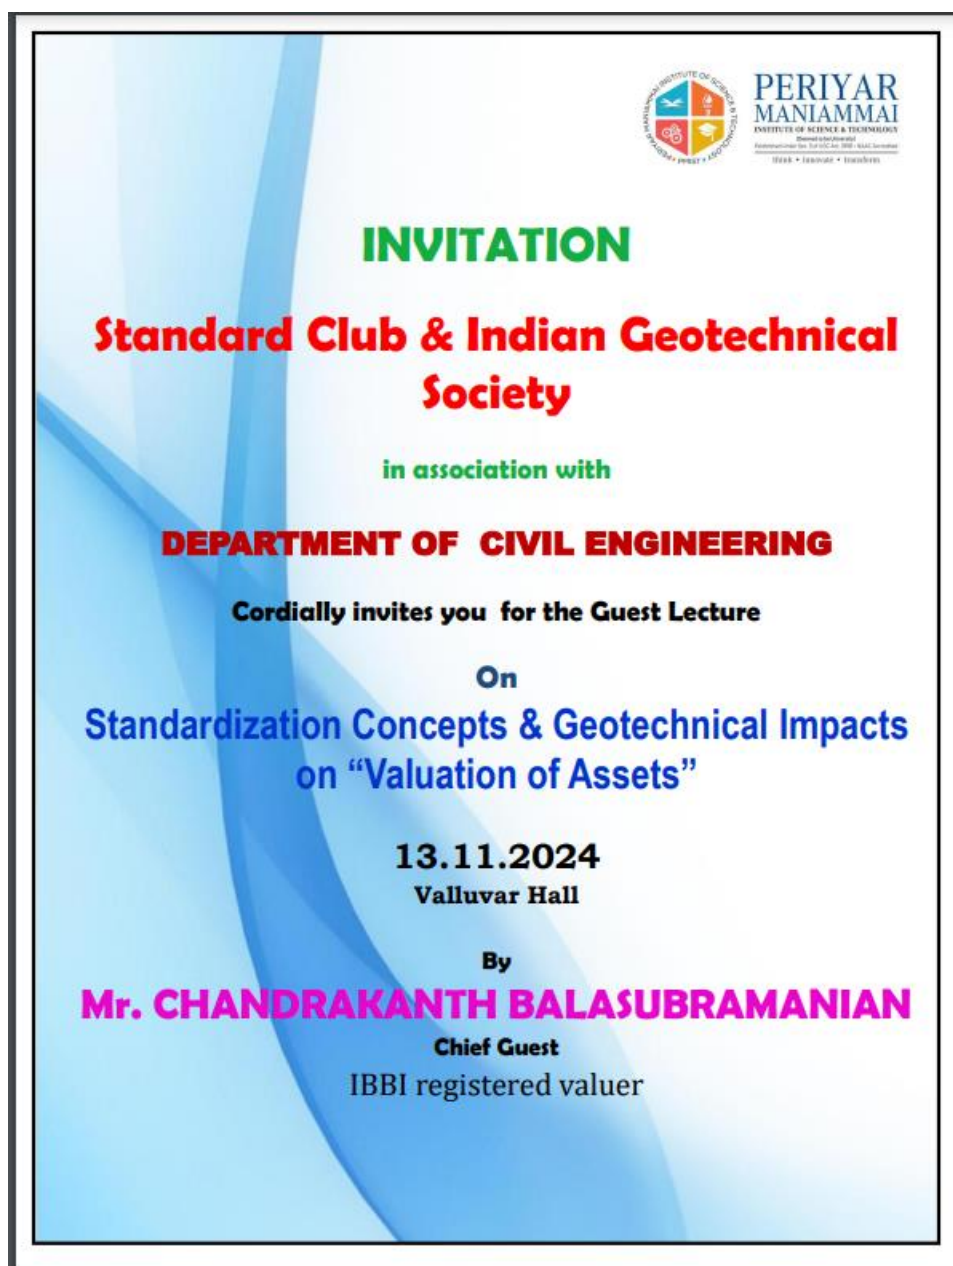

Department of Civil Engineering

Date : 13.11.2024

1. OBJECTIVE:

The lecture focusses on two significant factors influencing asset valuation are standardization concepts and geotechnical conditions. This programme explores the role of standardization in asset valuation and the impact of geotechnical factors on the valuation process.

2. BROCHURE

REPORT

Guest Lecture on “*Standardization Concepts & Geotechnical Impacts on “Valuation of Assets”*” was organized by Standard Club & Indian Geotechnical Society in association with Department of Civil Engineering on 13.11.2024 for IV and III Year Civil Engineering students. Dr. B.Anupriya, Associate Professor & Dr.S.Senthamil Kumar Professor coordinated the guest lecture. Dr.S.Senthamil Kumar Professor, Department of Civil Engineering delivered the Welcome Address and introduced the chief guest.

The guest lecture was delivered by Mr.Chandrakanth, a recognized IBBI registered valuer, expert in the field of Geotechnical Engineering and asset valuation. The lecture focused on the concepts of standardization in various industries and how geotechnical factors play a significant role in the valuation of assets.

The speaker began by explaining the significance of standardization in different sectors, especially in construction, Engineering, and asset management. The Lecture also focused on how geotechnical factors influence the valuation of assets, particularly real estate and infrastructure.

Finally the speaker gave a clear understanding of how standardization and geotechnical issues are crucial for accurate asset valuation, to ensure long-term stability, and managing potential risks effectively.

Students gave positive feedback and requested to conduct more similar practical lectures. And some students requested to conduct lecture on Risk Assessment for Asset Valuation. Guest lecture was concluded with vote of thanks delivered by Dr.B.Anupriya, Associate professor in Civil Engineering.

Mr.Chandrankanth explaining the Standardization concepts and opportunities in Valuation of Assets
