Total no.of.Female students : 26

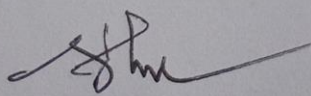

OUTCOME OF THE PROGRAMME

Upon successful completion of this extension activity, participants will be able to:

- 1. Understand the basics of banking services:**
Gain knowledge of essential banking services, including savings accounts, current accounts, fixed deposits, loans, and online banking facilities.
- 2. Develop financial literacy skills:**
Enhance their understanding of financial terms, banking procedures, and the importance of personal and community financial planning.
- 3. Utilize banking services effectively:**
Demonstrate the ability to open and manage bank accounts, access credit, and use digital banking platforms for secure and efficient financial transactions.
- 4. Promote financial inclusion:**
Recognize the role of banking services in reducing economic disparities and supporting socio-economic development, especially for underprivileged sections of society.
- 5. Enhance decision-making in financial matters:**
Apply knowledge of basic banking services to make informed decisions regarding savings, investments, and credit management.

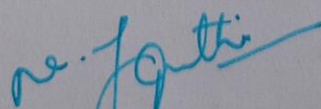

This program fosters empowerment by enabling individuals and communities to engage effectively with formal financial systems.
