Report on Industrial visit to SPT Dairy & Farms,

Dindigul

On 10.10.2024

The Department of commerce has arranged a Industrial visit to I B.Com A&B sec students to **SPT Dairy & Farms, Dindigul on 10.10.2024** Totally 49 first year students and two faculty members gone for this Industrial visit. We have started our trip from PMIST campus at 05.00 am on 10.10.2024 and reached the industry at 8.00 pm.

First the HR manager invited the team members and gave induction programme. He has explained

1. The vision, mission and objectives of the company, to promote economic development and employment opportunities in rural and backward areas by encouraging and promoting and setting up of Paper mills.

2. OBJECTIVES

- Understanding the dairy farms
- Observing the environmental impact of dairy farms and the company's sustainability efforts.
- Exploring quality control measures.
- Gaining insights into production efficiency and technological innovations.

3) Out comes

- Understanding the entire lifecycle of dairy farms from raw materials to the final product.
 - Gaining knowledge on energy efficiency and waste management in the dairy farms.
 - Understanding the challenges and innovations in the paper manufacturing sector.

This industrial visit will provide participants with an in-depth understanding of dairy production and its real-world applications. It also offers an excellent opportunity to see first and how a large-scale manufacturing plant operates while implementing modern sustainable practices.

Geotagged Photos attached while visiting the SPT Dairy & Farms

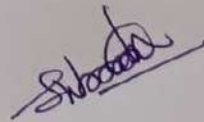

Outcome of the local visit

After the local visit the students

- The Student Practical Understanding of Dairy Production Systems:.
- Understand Assessment of Dairy Farm Sustainability Practices.
- Observe the application of modern technologies in dairy farming, such as automation in milking, data-driven farm management, and advanced animal health monitoring systems.
- They understand the Safety Protocols and Worker Welfare.

Head of the Department
