ALUMNI MEET

Objective of the Meet:

The objectives of the alumni meet are to foster a strong connection between the institution and its graduates, providing a platform for networking and collaboration. It provides a chance for alumni to share their experiences, offer feedback on the curriculum, and suggest ways to improve it. The event also helps current students by giving them opportunities to learn from alumni, find internships, and explore job options in mathematics. Alumni can also discuss potential collaborations with the department on research and other projects. Overall, the meet strengthens the relationship between the department and its graduates, helping both to grow and succeed in the future.

Alumni Lecture Series #02
19th October , 2024 @ 2:00 pm, PG Class room, PMIST
Organized by
Department of Mathematics
Report

Alumni Lecture Series #02 has been arranged by Department of Mathematics on 19.10.2024 at 2.00 pm in PG Class room, Education block, Periyar Maniammai Institute of Science & Technology (PMIST), Deemed to be University, Vallam, Thanjavur.

Dr.P.N.Sudha, Assistant Professor, Department of Mathematics, commenced the event with a welcoming address. She expressed appreciation to all attendees and highlighted the significance of the alumni lecture series in bridging the gap between academic learning and real-world applications.

Dr. A.Sasikala, Associate Professor, Department of Mathematics, delivered the presidential address. She underscored the importance of career guidance and professional development for students, emphasizing how the alumni's experiences could provide valuable perspectives on career pathways and industry demands.

Ms. G.Sudheshna addressed effectiveness of academic programs, student support services, and the overall campus experience. She highlighted specific professors, hands-on learning opportunities, or projects that helped build a solid foundation for their careers.

Mr.M.Manoj insisted the areas for improvement, such as more internship opportunities, career services, or updated course content to better align with industry trends

Dr. C.Vimala, Associate Professor, Department of Mathematics, delivered Vote of thanks and encouraged the students for their future success on behalf of our department.

The alumni lecture series featured a prominent alumnus who spoke about various career opportunities available to mathematics graduates. The focus was on how statistical methods are applied in data science and other fields. The alumnus provided real-world examples and shared insights into how mathematical skills can be leveraged in various professional roles, including data analysis, financial modeling, and research.

Alumni Meet

Dr.P.N.Sudha, AP welcomed the gathering

. Sudheshna G shared her experience

Manoj M shared his experience

Nivetha V K shared her experience

Alumni Lecture Series #02
19.10.2024 @ 2:00 pm, PG Class room, PMIST
Organized by
Department of Mathematics

Outcomes of the programme:

Upon successful completion of this lecture, the participants will have

Alumni lecture series typically includes enhanced networking opportunities, valuable knowledge sharing, and strengthened community ties. It allows alumni to connect with peers and mentors, gain insights from industry experts, and foster a sense of belonging to their alma mater. For current students, it provides real-world perspectives and career advice, while also reinforcing their connection to the institution. Overall, the series aims to enrich both the professional and personal lives of participants and deepen their engagement with the university.
