REPORT ON ERODE MEDICAL CAMP  
18. 11.2024

The medical pre visit at Sathyamangalam from 15/11/2024 to 17/11/2024 began around 10:20 AM from the PMIST campus with an overall of 25 volunteers from both NSS and NCC headed by the coordinator of NSS Dr. C. Anusuya(@) priya mam and accompanying faculty members Mr. Sukumaran. V sir, Mr. Ilangovan.P sir and Mr. K panneer selvam sir. Reached at Myrada arivalayam CIDORR by 7 PM and a meeting was held where, the team made a proper plan to be executed for the next two days. The volunteers were split into 3 groups accompanying with faculty members and a local guide for each group. Group 1 covered 3 panchayats namely: Talamalai, Talavadi and Neithalapuram covering over 10 villages with an average of 587 families. Group 2 covered 2 panchayat covering over 21 villages with an average of 600 families. Group 3 covered 1 panchayat with 18 villages with an average of 400 families. The NSS and NCC mission for social mobilization of tribal people medical camp @ Talavadi resulted to be a great success with the participation of every member equally. Volunteers along with the faculty members distributed the pamphlets to each house welcoming and explaining about the medical campaign to be held on 21 nov at Aerapalayam Myrada campus. Volunteers with their utmost enthusiasm worked hard and were dedicated towards their work. Knowing and learning about the lifestyle and issues faced by the residents helped to know about them in a deeper sense. The campaign was brought to an end by morning on 17/11/2024 and the team headed back to PMIST campus after successfully accomplishing their assigned task.
