<p><b>Report of the Event</b></p> <p>On the eve of the open day at CECRI(Central Electro Chemical Research Institute), Thanjavur, on 26<sup>th</sup> September 2024, Department of Chemistry, Periyar Maniammai Institute of Science and Technology, Vallam, Thanjavur, has arranged industrial visit for the Undergraduate and Postgraduate chemistry students. All were actively participated in the visit and it was successfully coordinated by Dr. M. Viswalingam &amp; Dr. R. Mamani, Assistant Professor, Department of Chemistry. We left our college at 9.15 am by using private bus service and reached CECRI at 11.00 am.</p> <p>The aim of the industrial visit is to enrich the practical stimulation and help students to tap the information regarding functioning of the industry, which gives opportunities to the students to plan, organize and engage in active learning experience both inside and outside the classroom.</p> <p>There were all the students are visit to lot of instruments like XRD, FT-IR, UV-Vis, FESEM, TEM, EPR &amp; XPS. They were explained more information about the working methods for instruments and they have given details related to projects like thin films, solar cells and nanomaterials.</p> <p>The one day programme of open day at CECRI, should make the students as well as the staff a great experience and exposure to the various kinds of activities related to the core subject, in and around us. Eventually, we thanked CECRI administration for given us these opportunities and we ended the visit by clicking group photographs and we returned to our institute at 5.00 pm.</p>
