### **Innovation in Management and Technology for Sustainable Development of Business**

The Faculty of Management Studies organized a Two-Day National Conference on “Innovation in Management and Technology for Sustainable Development of Business” with the following Objectives.

- To provide a platform for academicians, researchers, and industry professionals to share insights, experiences, and research findings on sustainability and innovation.
- To explore innovative practices in management and technology that drive sustainable business development.
- To identify emerging trends in sustainable practices, green technologies, and ethical business strategies.

On 24<sup>th</sup> and 25<sup>th</sup> April, 2025, The department of Management studies organized a two-day national conference. The conference seeks to promote interdisciplinary research, foster innovation, and encourage the adoption of sustainable strategies that address contemporary challenges in the global business environment.

The first day of the conference commenced with a warm welcome address by Mr.J.Edward, Assistant Professor, Faculty of Management studies,PMIST , followed by the inaugural address delivered by Dr.B.Mahendra Mohan Sir, Dean of Faculty of Management studies, who emphasized the role of disruptive innovation and technologies in shaping sustainable Business.

The special address was delivered by our senior Professor Dr.KVR.Rajendran . He highlighted the importance of technological advancements and increasing environmental and social challenges of today's Business.

Five parallel technical sessions were conducted in the morning and afternoon covering themes such as Innovation in Management , Sustainable Business Ideas. Dr.B.Mahendra Mohan, Dr.KVR.Rajendran, Dr.P.Guru, Dr.J.Bhuvaneshwari, Mr.J.Edward, Mr.I.Rosanth, Dr.T.Sivakami served as chair person of the technical sessions.146 research papers were presented by final year BBA and MBA students from our department. The sessions highlighted the urgent need for

organizations to adopt sustainable practices and leverage technology as a strategic enabler for long-term growth and societal impact.

On the second day of our conference, five technical sessions were held, during which 140 research papers were presented by our students. The conference concluded with the valedictory address delivered by our Registrar who appreciated the academic richness of the conference. Best Presenter awards and Certificates were distributed to the presenters. The vote of thanks was proposed by Dr.J.Sathyapriya, Head of Faculty of management studies.

The Conference has successfully attained the following outcomes:

- Encouraged the presentation of high-quality research papers , contributing to the growing of knowledge in the fields of management and technology.
- Enhanced understanding of the importance of integrating sustainability into core business strategies, aligned with global sustainability standards and goals.
- Provided a dynamic platform for networking, enabling future collaborations in research, consultancy, and industry-academia partnerships.

The key contributions, and takeaways of the conference, which will serve as a valuable resource for future academic and industry initiatives focused on innovation and sustainable business development.
