Sustainable Development Goals- 3,6 and 17 Date/Period: 15.8.2025 Time: 10.30 a.m. to 1.00 p.m.	Mr. Rajendran, Village Panchayat President	AACHAMPATTI Village people and students and Faculty from PMIST
The Gram Sabha meeting at Aachampatti Village was held on 15th August 2025 in connection with the Independence Day celebration. The event began with the hoisting of the national flag, marking the patriotic occasion with pride and respect. The meeting was formally commenced with a warm welcome address by the Panchayat President, Mr. Rajendran, who presided over the proceedings. He interacted with the villagers, informed them about ongoing initiatives, and patiently addressed their grievances. As part of academic and community engagement, M. Tech Environmental Engineering students (I Year and II Year) from the Department of Civil Engineering participated in the meeting. A total of four students, along with Faculty Member Mr. D. Narendra Prasad, were present. During the meeting, Mr. D. Narendra Prasad briefed the gathering about the Village Development Plan prepared under the Unnat Bharat Abhiyan (UBA) scheme, emphasizing sustainable rural development strategies. In alignment with this initiative, the I Year M. Tech students conducted a Solid Waste Management Survey in Aachampatti Village. The survey aimed at assessing the current practices, challenges, and potential solutions for improving waste management in the village. The findings will contribute to formulating an effective and sustainable waste management		30

strategy tailored to the village's needs.		
The Gram Sabha concluded with collective discussions, active participation by the villagers, and a shared commitment towards rural development and environmental sustainability.
