Parent -Teacher Meeting Report

Date : 28.09.2024
Time : 10.30 AM
Venue : TB II- Room No:211
Class : III BBA (LSCM)

A Parents-Teachers Meeting for Class III BBA (LSCM) was successfully conducted on 28th September 2024 at 10:30 AM in Room No. 223, TB II. The session brought together faculty members and parents to discuss students' academic progress, attendance, and overall development.

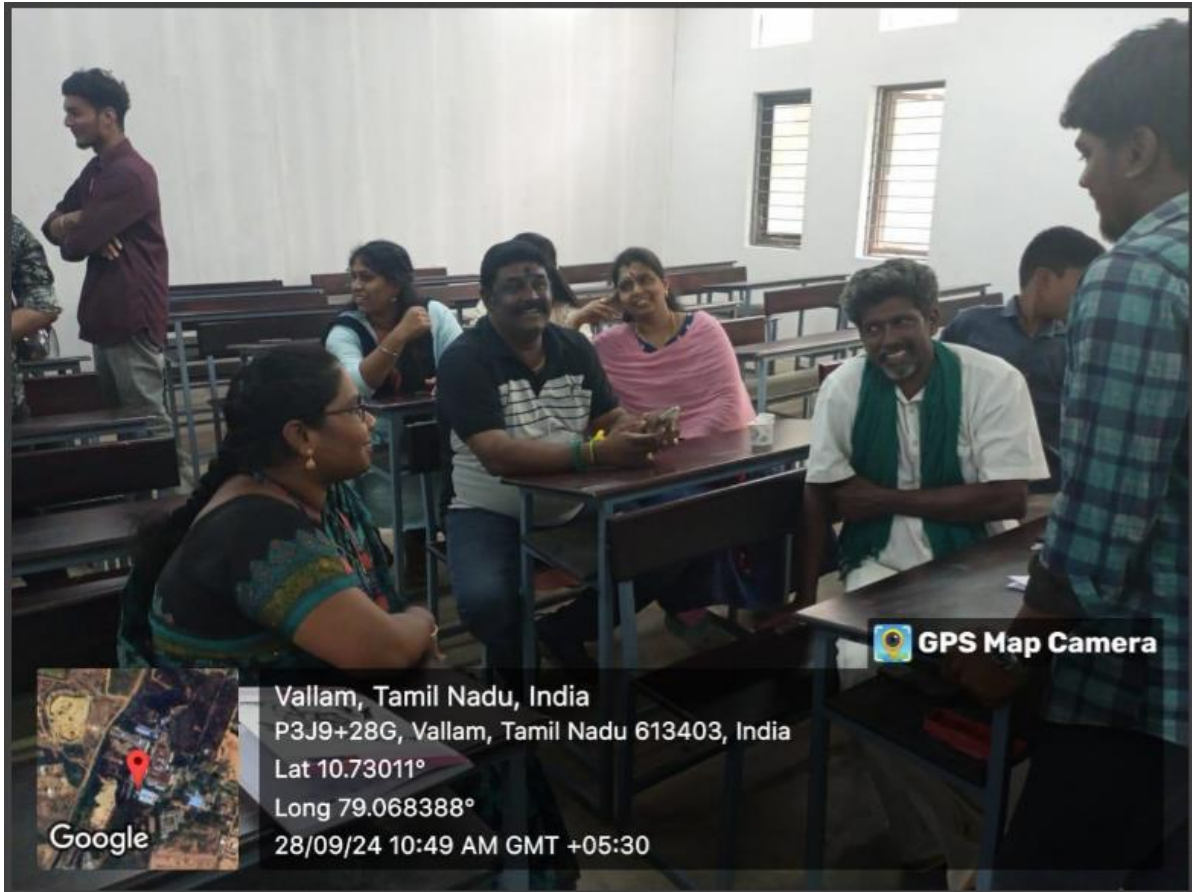

The following agenda were Discussed during the Meeting.

1. Academic Performance of the student
2. Attendance & Punctuality
3. CIA-1 Mark Analysis
4. Student Behavior & Participation
5. Upcoming Academic & Co-curricular Activities
6. Parental Feedback

Key topics included performance in core subjects such as Supply Chain Management and Operations Research, with faculty highlighting that while a majority of students are performing well, a few require additional academic support. Attendance trends were reviewed, noting that while the class average stands at 88%, concerns remain for a small group of students with below-par attendance.

The discussion also focused on student engagement, behavior, and participation in class activities. Parents appreciated the faculty's proactive approach in organizing remedial sessions and peer tutoring programs to support struggling learners. Upcoming academic and co-curricular initiatives, including an industrial visit, a national case study competition, and internship placement preparations, were shared to encourage parental involvement and student readiness. Emphasis was placed on the importance of holistic development, soft skills training, and career planning.

Parents provided valuable feedback, expressing satisfaction with the teaching quality and requesting more frequent updates through digital platforms. The meeting concluded on a positive note, reinforcing the importance of collaboration between home and institution. Follow-up actions, including individual progress reports and targeted academic support, have been scheduled to ensure continued student growth and success in the final year of the program.
