FEEDBACK

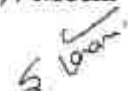

The image displays six copies of a feedback form titled "Feedback form for Workshop on Training, Maintenance, Tunnel ventilation systems and future scope (MTR) on Metro Railway". The forms are arranged in two rows of three. Each form includes a header with logos, a date, and a title. The forms are filled out with handwritten responses and signatures. The first form is dated 25/06/2022, and the others are dated 26/06/2022. The forms are signed by Dr. P. Srinivasan, AP (SS) / Mech. and Dr. S. Janani, Incharge ISTE PMIST Chapter.

The overall feedback collected from students were summarized as follows

1. Knowledge shared about the Metro Railway , operation and maintenance needs the important skill set requirements, the employment opportunities information regarding PLC programming , SCADA applications in Metro Railway operational requirements were learnt .
2. Understood the Needs and importance of Metro Railway operational requirements. Mechanical , Electrical , Electronics Engineering students where to focus and further study to capture the metro railway related placements.
3. Very good eye opener session.
