Session Highlights

Welcome Address

The event commenced with a warm welcome by Ms. Rabitha R., a final-year biotechnology student. She extended her greetings to the distinguished guests and emphasized the importance of World Heart Day.

Felicitations Address

Dr. Balakumar Pitchai, Ph.D., Professor and Director, Research Training and Publication, and The Office of Research and Development at PMIST, delivered the felicitations address. In his

speech, Dr. Pitchai elaborated on the advancements in biotechnology research and its role in understanding and managing heart health. He highlighted the critical need for interdepartmental collaborations to innovate in the field of cardiovascular research.

Keynote Address

The keynote speech was delivered by Dr. Ilan Kumaran J., an eminent consultant in interventional cardiology from Srikamatchi Medical College, Thanjavur. Dr. Ilan Kumaran's speech focused on:

- The rising prevalence of cardiovascular diseases (CVDs) globally and in India.
- Preventive measures, such as regular health check-ups, adopting a heart-healthy diet, and incorporating physical activity into daily routines.
- The advancements in interventional cardiology, including minimally invasive techniques and their impact on patient recovery. He concluded with a motivational note urging the audience to prioritize their heart health through lifestyle modifications and routine monitoring.
