HISTORICAL TRACK TRAVERSED BY PMIST

Periyar Maniammai Institute of Science & Technology (PMIST) has it organizational root from Periyar Maniammai College of Technology for Women (PMCTW), the very first engineering college in the world exclusively for the women. Established during 1988, bearing the names of two great social reformers; E V Ramasamy widely respected as "Thanthai Periyar" and his philanthropic wife Annai Maniammaiyar. PMIST has revolutionized women's education especially the Higher Studies in Engineering, Technology and Science. Approved by AICTE and functioned under various Universities like Bharathidasan University, Tiruchirapalli and Anna University during the transition period.

PMIST has grown over the years, in leaps and bounds encompassing almost every sphere of technology which were once the domains exclusively for the males. With effect from August 17, 2007, it attained the status of Deemed to be University, under section 3 of UGC act 1956. It paved way for initiating co-education attracting both boys and girls.

The Periyar Maniammai Institute of Science & Technology is situated in a land area encompassing 216 acres. The institution has transformed this barren and almost inhospitable land stretch into an adorable lush green piece of land, environment free from pollution that makes it conducive for concentrated study. It has been excelling not only in the class room teaching but also in the areas of research and sponsored projects providing an ample opportunity for experimenting the learned concepts and aspects.

ADMISSION AND EXAMINATION REGULATIONS

ADMISSION

Admission to PMIST is in accordance with the guidelines of UGC and other Statutory Bodies concerned. The basis for B.Arch admission is as per the merit in NATA (CoA) or JEE main paper II by CBSE. During admission, the relevant government regulations are being followed in allotments of the quota for different sections of the society.

ACADEMIC REGULATIONS

Various Academic Regulations contemplated (according to different Curriculum Developments) are being adhered to during admission. One Regulation is followed at least for one batch.

At the beginning, PMIST followed Relative Grades with variable thresholds and multiple re-exam system. Later on, European Credit Transfer and Accumulations System (ECTS) was adopted. Subsequently, from 2015-16 Regulation, Choice Based Credit System(CBCS) was introduced with Absolute Grades. At present, Outcome Based Education (OBE) pattern is being pursued with Absolute Grading and continuous assessments i.e. Formative and Summative (final semester exam) assessments. The grading of marks along with the prescribed pass marks are mentioned in the following tables A and B for different programmes.
