HISTORICAL TRACK TRAVERSED BY PMIST

Periyar Maniammai Institute of Science & Technology (PMIST) has its organizational root from Periyar Maniammai College of Technology for Women (PMCTW), the very first engineering college in the world exclusively for the women. Established during 1988, bearing the names of two great social reformers; E V Ramasamy widely respected as "Thanthai Periyar" and his philanthropic wife Annai Maniammai. PMIST has Revolutionized women's education especially the Higher Studies in Engineering, Technology and Science. Approved by AICTE and functioned under various Universities like Bharathidasan University, Tiruchirapalli and Anna University during the transition period.

Periyar Maniammai Institute of Science & Technology has grown over the years, in leaps and bounds encompassing almost every sphere of technology which were once the domains exclusively for the males. With effect from August 17, 2007, it attained the status of Deemed to be University, under section 3 of UGC act 1956. It paved way for initiating co-education attracting both boys and girls.

The Periyar Maniammai Institute of Science & Technology is situated in a land area encompassing 114.65 acres. The institution has transformed this barren and almost inhospitable land stretch into an adorable lush green piece of land, environment free from pollution that makes it conducive for concentrated study. It has been excelling not only in the class room teaching but also in the areas of research and sponsored projects providing an ample opportunity for experimenting the learned concepts and aspects.

Today Periyar Maniammai Institute of Science & Technology (PMIST) is offering PMIST seventy programmes for the year 2023-24. Sixty nine programmes in fulltime of which 31 Undergraduate programmes in shift 1 and four (They are also offered in shift 1) in shift 2, twenty two Post Graduate Programmes. Seventeen programmes offered (which is also offered in full time) in part time as well through four faculties and 19 departments. In addition, there are centers related to the needs of research, automation, entrepreneurship development and also the social needs under Institutional Social Responsibility (ISR). All these are matched with adequate infrastructure and logistical support systems such as sufficient hostels for boys and girls, transports, canteen and hospital facilities. Co-curricular and extracurricular activities are well encouraged through Clubs and Societies, Sports, NSS and YRC etc. PMIST is also accredited by NAAC, approved by UGC and AICTE. In accordance with the guidelines of NAAC an institutional internal mechanism - Internal Quality Assurance Cell (IQAC) is functioning with effect from 10th April 2009, to continuously monitor and upgrade the quality of higher education. All these make PMIST as one of the most sought-after institution in the region.
