ESTABLISHMENT

The Faculty of Architecture and Planning was established in the year 1995 as Department of Architecture and currently has stepped into the 27 years of creative excellence (1995-2022) and has continuously made significant strides in the field of Architectural education with all round performance academically, socially and environmentally. The Department of Architecture at PMIST has a strong tradition of fostering independent design thinking and research. The well designed Architectural program encapsulates all aspects of the current profession and society. The Department has well qualified and experienced faculty members. The Department is ranked all India Top 28, by India today's MDRA Best Colleges ranking 2021. The Department has also been ranked 18th Rank at the National Level (4th Rank at the State Level) among the Private Architecture Institutions of India under the assessment made by the Indian Institutional Ranking Framework (IIRF) 2022.

PROGRAMMES OFFERED

With the approval from Council of Architecture (CoA), New Delhi, the department of Architecture is offering the following courses:

- B.Arch. (5 years)
- M.Arch. (2 years)
- Ph.D. Programmes (Full/Part Time)

PROGRAMME OVERVIEW

The Architectural degree is designed in such a way that it fulfills the educational component of professional certifying body (CoA). Bachelor of Architecture (B.Arch) is a 5 year full-time duration programme. It comprises of 10 semesters. The Program is a clear comprehensive amalgamation of professionally oriented course design and outcome based education system. The peer learning methodologies adopted in the department facilitates interaction and knowledge transmission by large collaborative attitude in the profession.

- Value added courses on Design Softwares – AutoCAD, Sketch Up, Revit, 3d printer and 3DS MAX.
- Provides coaching on GATE, TANCET and other Competitive exams
- Provides coaching on Foreign Languages.

PROMINENT ALUMNI TESTIMONIAL

Ar. Maharaja Chandrasekaran
(2008-2013)
Design Manager, Ford Motors

My Strength, My uniqueness, My goal... Periyar Maniammai School of Architecture helped each one of us to find ourselves in the creative world. Being one of the oldest Architectural institution in Tamilnadu and being in a crafty location (Thanjavur) the school keeps on moulding students to think towards Indian Modernity. The cordial relationship among students and faculties has given me opportunities to excel in my area of interest in Architecture.

Ar. Natalya Trotsky
(1997 – 2002)
SD Architects, Singapore

Passion - The department helped me to build a strong passion and also helped me to get through the tough times and create fervor and determination to get the job done and done right, becoming more productive.
Confidence - The faculty members helped me to believe in myself, after which I gained confidence to communicate and interact with clients.
Leadership - The institution taught me to be impartial and to be able to anticipate any form of reluctance that might come from the team members and take suitable steps to mitigate it.

Ar. Manoranjini
(2004-2009)
LEED – AP, GRIHA Evaluator
En3 Sustainability solutions

PMIST is not only a great institution to learn Architecture but also a great place to mold yourself as a citizen and find the real you to device your life in the right path in a sustainable way. Here we have very well experienced faculties, strong alumni group to share knowledge, great sustainable infrastructure to build career and lot of opportunities, encouragements and guidance to participate in national & international design competitions.
