ESTABLISHMENT

Established in the year 1988 with the approval of AICTE. It has 30 years of excellence in education. National Board of Accreditation in (NBA) in four cycles. Industries based Curriculum. Students work with Home grown Enterprise resource planning package – Brainv2.16. Industrial collaboration for projects, internships and In-plant training. Global Asset Soft Skills Training Programs

PROGRAMME OVERVIEW

- Established in the year 1988
- The Computer Science and Engineering Department imparts high quality education in the field of Computer Science and Engineering and also develops the overall personality of the students.

- It has well qualified faculty members and well - equipped laboratories to develop the technical skills of the students. 15+ Average years of Teaching Experience and 50% faculty with Ph.D

SCOPE OF THE DEPARTMENT

- Industrial revolution 4.0 includes cyber - physical system, big data analytics, AI and ML, Data Science, cloud computing and cognitive computing.

BEST PRACTISES

- Value added programmes with Tata Consultancy Services (TCSion) ICT Academy of Tamilnadu Red Hat Certification.
- Code development practice in Code Hackathon platform.
- Budding Teachers
- Training for Career development.

NOTABLE ACHIEVEMENTS OF STUDENTS AND STAFFS

- Consultancy Projects
- Funded Projects from TNSCST
- Got top rank in Code Hackathon in leadership board
- Received rewards and awards in many national and international conferences.

ABOUT SPECIALIZATION IN AI AND ML

- The students will learn about the most effective Artificial intelligence and Machine learning techniques, and gain practice implementing

them and getting them to work for society.

- Course content shall be delivered by industry persons from Prag Robotics.

ABOUT SPECIALIZATION IN DATA SCIENCE

- Data Science (DS) is concerned with extraction of useful knowledge from data sets. It is closely related to the fields of computer science, mathematics, and statistics.
- Course content shall be delivered by industry persons from Prag Robotics.

PROMINENT ALUMNI TESTIMONIAL

Imayavaramban
(2012-2016)

Lieutenant, IAF, New Delhi

CSE is an excellent, thought provoking course that helps you develop yourself, tackle problems in the real world.

Avinash Kumar
(2008-2012)

Senior Developer @
KLM Royal Dutch Airlines
Amsterdam, Netherlands

I am very much glad of being alumni of Periyar Maniammai University. This University helped me a lot in the way of providing many facilities such as Wi-Fi, Computer lab and Library. Staff members are teaching in very good way and they are encouraging us to involve in other activities such as Sports, writing Internship Examination (GATE), Entrepreneurship and etc. Placement activities are also going good. And also staff members were very friendly with us. They forced us to do our final year projects by own. This helped us to learn more things and to have more confidence to do anything.

Shivendra Mishra
(2008-2012)

Senior Software Engineer
LG Electronics, Bengaluru

Periyar Maniammai college of technology is one of the prominent colleges in our state and I had wonderful college experience studying there due to its ambient environment and knowledgeable tutors. The college encourages both academic and extracurricular activities which help us to develop self esteem. It also motivates student to take part in social welfare activities. Had great college life by taking part in cultural programmes and NSS activities. Thanks to PMC for making me a better person.

Asawathi Prakash
(2008-2012)

UI Developer, FIS, Bangalore

My graduation days in PMU are wonderful and it moulded me to become a good professional. Through the knowledge imparted and the training given, I could successfully start my career as IT professional.
