Seminar on Recent Trends in Chemistry- Report

The Department of Chemistry, Physics and Nanotechnology jointly organised “A Seminar talk on Recent Trends in Chemistry” on 27.9.2019 between 10.30 am and 1.00pm in Marie Curie Hall. Dr. S. Gomathi, Head, Department of Chemistry introduced the speaker Dr. S. Anandakumar, Associate Professor, Department of Chemistry, Anna University, Chennai highlighting his academic and research achievements in polymer coating, composite and Nano materials. Nearly 58 Undergraduate, Postgraduate, Research scholars and faculty members of Chemistry, Physics, Nanotechnology and Biotechnology of PMIST attended the seminar talk. The Resource person explained the recent research on corrosion, nanomaterials and polymer coating. He also explained about the basic knowledge and applications of nonmaterial in day today life. He interacted with the students and rectified the doubts raised by the students. Dr. K. Kesavan, Head, Department of Physics proposed a vote of thanks.

Title of the Seminar Talk : “Recent Trends in Chemistry”
