About the University

Periyar Maniammai Institute of Science & Technology (PMIST), a deemed to be university, has its origin from Periyar Maniammai College of Technology for Women established during 1988, by Periyar Maniammai Educational and Charitable Society, Chennai-7. Named after the great social reformers of the twentieth century, E.V.Ramasamy, fondly known as Thanthai Periyar and his philanthropic wife Annai Maniammaiar. Earlier Periyar Maniammai College of Technology for Women (PMCTW) has its credit of being the first Women's Engineering College in the world. The primary objective of the institution is to provide increased access to higher education in Science and Technology and encouraging student's active participation in social, national and global developments.

Department of Education

Established in 2009 with the objectives of enhancing the professional competencies and skills for serving as teachers in Elementary, Secondary and Senior Secondary Schools. The Department offers B.Ed. Programme and four year integrated B.Sc. B.Ed. programme from 2015. Moreover the Department offers M.Phil. / Ph.D. (FT & PT) programmes.

About the Conference

Special education is tailored to meet the needs of students with disabilities. The services and supports one child receives may be very different from what another child receives. Special education today is still focused on helping children with disabilities learn. The special education teacher wears many hats. Unlike other teachers who focus primarily on academics, the special education teachers serves both as an educator and as an advocate for students with special needs.
