Report of the Event

Dr.C.V.Subramanian, Dean & Professor, FAP, PMIST inaugurated the session welcoming the participants. Ar.N.Ramesh Babu, HOD/Arch, PMIST briefed on the topic of the session and how to make use of the session. Ar. Uma Mouthiga E, AP/Arch, Alumni Coordinator of the department introduced the speaker of the day. The session was further moderated and perorated by Ar. Bala Hari Krishnan, AP/Arch, Lecture Coordinator.

Ar. Anupadma highlighted the importance of Conserving and restoring the heritage buildings as it reduces energy usage associated with demolition, waste disposal and new construction, and promotes sustainable development by conserving the embodied energy in the existing buildings. It also focuses on the material knowledge and technology advancement aiding the conservation and restoration process. All of the content addressed was supported by case studies from her work which made the session more interactive and interesting for the students.

“CONSERVATION AND RESTORATION OF HERITAGE STRUCTURES”

An eminent alumna belonging to 5th batch (2004) of our Periyar Maniammai Institute of Science and Technology (PMCTW). She holds a master's degree by research on monument conservation from Indian Institute of Technology (IIT), Madras. She has a wide experience in Academics and Practice. She is currently working as Associate Professor, School of Architecture, REVA University, Bangalore. She is a heritage enthusiast and has published many papers in refereed International Journal and Conferences. She has been interviewed by BBC (Radio) & SUN NEWS for her contribution 'Granite stitching Method' as a repair solution to save stone-built structures. She has delivered Conservation and research related guest lectures in various institutions at Chennai and Bangalore. She has been inspiring students through her lectures to take part in heritage building documentation and conservation activities. She has visited several countries like Singapore, Malaysia, Canada and USA. During her stay she visited universities in abroad regarding digitisation of heritage structures.

Report of the Event

Department of Aerospace Engineering and Association of Aeroptyx (AOA) has conducted Indian Air Force day Webinar on “Opportunities in Armed Forces for Engineering Graduates” on 08.10.2021 from 3.00 pm to 4.00 pm.

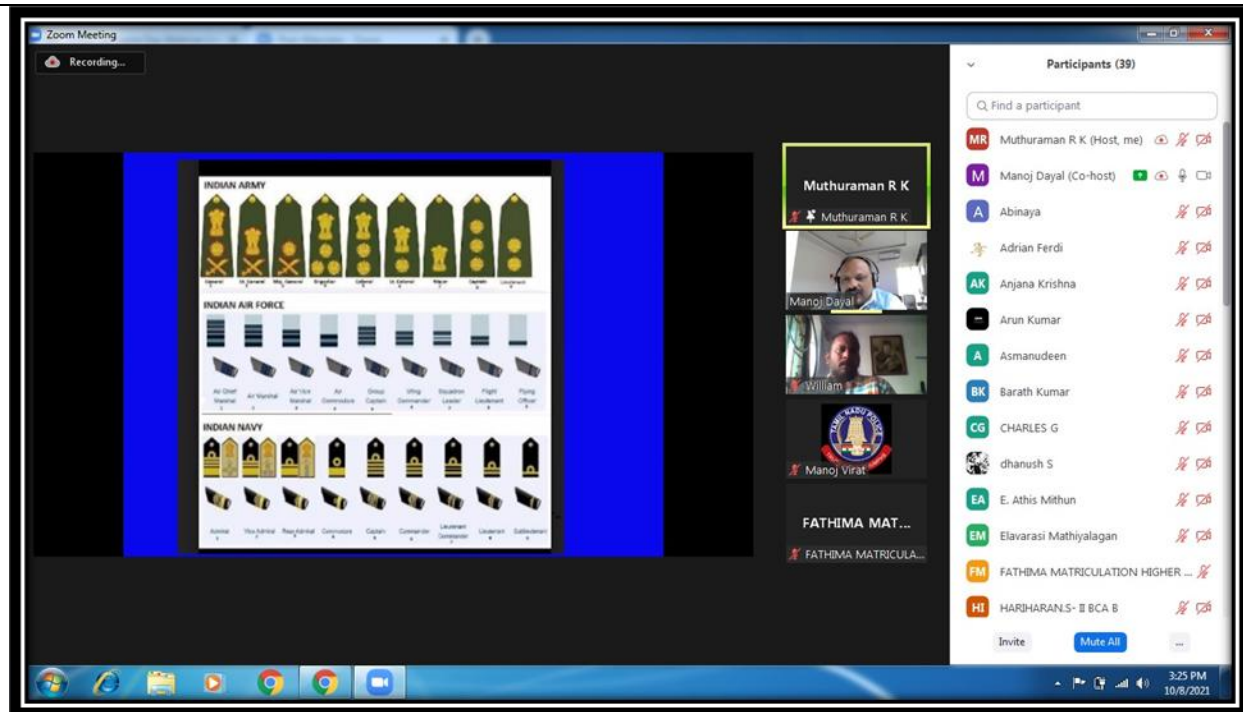

This webinar was delivered by Gp Capt Manoj Dayal,(Retd.) Indian Air Force. He was retired from his services by September 2021. He was a board member in Recruitment process of Armed Forces and active person in moulding the budding service men during his tenure. Mr.R.K.Muthuraman, Coordinator of this event welcome the Resource Person and other participants for the webinar.

The resource person started the webinar by giving an explanation about the differences and cadres in Indian Army, Air Force and Navy. He highlighted the various posts and its eligibility for the above three forces.

Also, he explained about the opportunities for Engineering Graduates in all the forces and how one should groom themselves to get into that job. He motivated the participants by highlighting about the Job security, Patriotism, Incentives and other emoluments they can get by joining in any one of the armed forces. Some participants asked questions related to IAF and role of engineers in it. He patiently addressed each and every questions raised by them.

Mr.I.Karthic Subramaniyan, Head/Aerospace gave Felicitation Address. He Invited Gp Capt Manoj Dayal to visit our campus in meantime and to share his knowledge with the students and faculty members. Mr.Muthuraman, propose the vote of thanks. He thanked the resource person for accepting his request to deliver the address. He also thanked the Management, Hon’ble Vice Chancellor, Registrar i/c, Deans, Faculty members and Students of PMIST. At last he thanks all the participants for patience listening and wished them to become successful service men in anyone of our Indian Armed forces. 42 students and staff members were participated in this

event.

Report of the Event

Department of Software Engineering has organized a Webinar on “**Software 2 Startup – [S2S]**” at 21.10.2020 through Google Meet to M.Sc. Software Engineering students. The Webinar aims to motivate the students to tune their mind to become an entrepreneur in future. The resource person delivered the lecture and explained about the entrepreneurial process identification and evaluation of the opportunity, development of the business plan, determination and evaluation of resource requirements. The resource person explained an entrepreneurial mindset is a set of skills that enable people to identify and make the most of opportunities, overcome and learn from setbacks, and succeed in a variety of settings. A great entrepreneur must be able to effectively communicate, sell, focus, learn, and strategize. An ability to continuously learn is not just a key entrepreneurial skill, but also a very valuable life skill. Creativity. Passion. Motivation. Product or service knowledge. Ability to network. Self-confidence. Optimism. Vision. Interested students from M.Sc. Software Engineering students and few faculties were actively participated in this webinar.

Report of the Event

The Department of Mathematics organized an online Webinar on MATHEMATICS AS A START- UP IDEA” on 30.12.2020. This webinar refers to the mathematics and startup ideas on business.

Startup ideation isn’t simply brainstorming. In fact, ideation is perhaps the most important aspect of starting a startup. After all, the problem you choose will dictate your future team and execution. Ideation is about picking a compelling problem in right market and making sure you have founder market fit. It’s also about constantly re-evaluating assumptions, pressure testing your ideas and validating them as you build. Being great at recognizing startup ideas can be the cornerstone to a massively successful career as either a founder, or investor.

The resource person of this webinar Dr. A.P.Aruna, CEO, Periyar TBI has interacted with the students and taught about the start –up ideas on business and motivation talks are given by the resource person. Totally 69 students are participated and benefited on it.

Dr. A.P.Aruna, CEO, Periyar TBI delivered the lecture to the mathematics department students
