REPORT

The Three Day workshop on “Using R Environment for Research – Beyond Statistics” was organized by Department of Management Studies & IQAC from 27th to 29th September 2021. Dr. S.Mohamed Ali, Senior Lecturer CEO, Chiang Mai University, Thailand was the resource person.

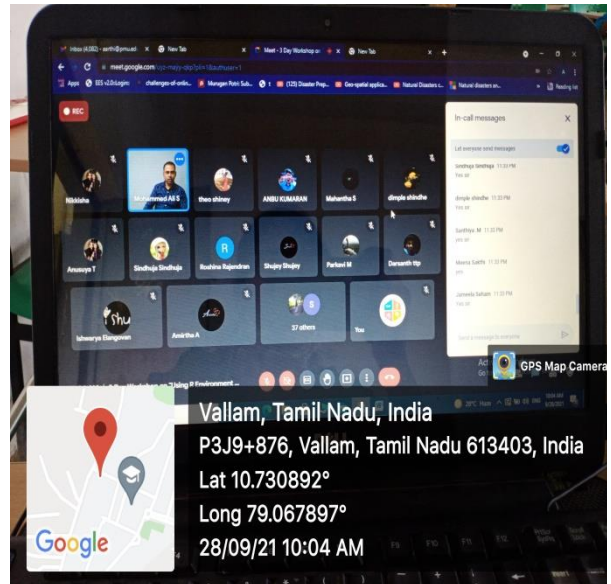

Dr.Aarthi Dhakshana J D, Assistant Professor, Department of Management Studies welcomed the gathering and introduced the resource person. The workshop was conducted online through Google Meet with 46 MBA final year students, 4 Ph.D. research scholars and 6 Faculty members of Department of Management Studies participated in the event. The first session started with the brief introduction about the basics of research and implementation of R software and the further sessions were about giving insights on various statistical tools and its application. This workshop gave hands on experience for the participants on the application of R Software. The various statistical tools were taught and its application in R software was given as hands-on training. The workshop was very useful for all the participants. On the third day, the session ended with vote of thanks by Dr.Arunkumar A, Assistant Professor, Department of Management Studies.

SCREEN SHOTS

DAY 1

This screenshot shows a Google Meet interface during a presentation. The main slide is titled "Using R Environment for Research" and includes the subtitle "Beyond Statistics". The presenter is identified as Dr. Mohammed Ali Sharafuddin, from the College of Maritime Studies and Management, Chiang Mai University. The date of the session is noted as 2021-09-27. The slide also features several icons representing different aspects of the research environment. On the right side of the screen, there is a video feed of the presenter, Mohammed Ali S, and a list of other participants, including 43 others. The bottom of the screen shows the Windows taskbar with the time 9:35 AM and the date 9/27/2021.

This screenshot shows the same Google Meet session, but the presentation has moved to the "Sessions Overview" slide. This slide lists the topics for the workshop, including "Session 1 - Learn to use the *Fundamentals of R programming language*". A red box highlights a timer showing 03:00. The right side of the screen shows the presenter's video feed and a list of participants, now including 44 others. The bottom of the screen shows the Windows taskbar with the time 9:36 AM and the date 9/27/2021.
