Criterion 1 – Curricular Aspects

Key Indicator	1.4	Curriculum Enrichment
Metric	1.4.2	Feedback processes of the institution may be classified as follows: A. Feedback collected, analysed and action taken and feedback available on website B. Feedback collected, analysed and action has been taken C. Feedback collected and analysed D. Feedback collected E. Feedback not collected

Feedback on Curricular Aspects
Feedback Action Taken Report
Academic Year 2016-17

INDEX

Department of Architecture

Programme : B. Arch.

Students Feedback on Curricular Aspects

Feedback for action	
Teaching learning process helped me to learn easily	
Action Taken	
All course in charges followed flipped class room process to learn the course easily.	

Teachers Feedback on Curricular Aspects

Feedback for action	
Nil	
Action Taken	
Nil	

Employers Feedback on Curricular Aspects

Feedback for action

Action Taken	
Nil	

Alumni Feedback on Curricular Aspects

Feedback for action	
Quality of books and support material available for the syllabus taught.	
Action Taken	
Increased the number of quality books in the library	

Head of the Department,
Faculty of Architecture & Planning,
Periyar Maniammai
Institute of Science & Technology,
(PMIST), Periyar Nagar, Vallam,
Thanjavur-613 403, Tamilnadu.

Department of Aerospace

Programme : B. Tech. Aerospace Engineering

Students Feedback on Curricular Aspects

Feedback for action	
To invite more industry persons and conduct seminars, workshop, lectures, and other industry relevant activities.	
Action Taken	
Department event calendar was prepared and motivated students to organize it under supervision of faculty members.	

Teachers Feedback on Curricular Aspects

Feedback for action
To add more Aero Management relevant courses in the curriculum.
Action Taken
Aero Management relevant courses will be considered in the Regulation 2017.

Employers Feedback on Curricular Aspects

Feedback for action
To provide Entrepreneurship skill and knowledge among the students.
To include more industry based experiments.
Action Taken
A course XEP306 Entrepreneurship Development was included in the Curriculum 2015 Revision I
The industry based experiments are conducted through case studies.

Alumni Feedback on Curricular Aspects

(R.K. MUTHURAMAN)

Department of Biotechnology

Programme : B.Tech. Biotechnology

Students Feedback on Curricular Aspects

Feedback for action	
Whether the teacher gets feedback before the commencement of the lecture?	
Action Taken	
Teachers were instructed to get the feedback before the commencement of new session.	

Teachers Feedback on Curricular Aspects

Feedback for action
Students are motivated and learn more topics than given in the syllabus. Extra reading other than the syllabus can be encouraged.
Action Taken
E-Content was developed for enhancing Teaching Learning Process and to motivate the students to learn more topics in addition to the topics given in the syllabus. Emphasis was given for skill development and extra reading.

Employers Feedback on Curricular Aspects

Feedback for action
Ability to manage/leadership qualities/ Innovativeness, creativity
Action Taken
New Courses focusing on the intrapersonal skill development was incorporated

Alumni Feedback on Curricular Aspects

Feedback for action
Alumni Association/ Network of old Friends. Effective communication among alumni can be initiated.
Action Taken
Social networking (Whatsapp group, Facebook group) was initiated to establish an efficient communication between the Alumni.

Head
Department of Biotechnology
Periyar Maniammal Institute of Science and Technology
PMIST (Deemed to be University)
Vallam, Thanjavur-613403, Tamil Nadu

Department of Civil Engineering

Programme : B. Tech. Civil Engineering

Students Feedback on Curricular Aspects

Feedback for action
More practices required for problem based courses.
Action Taken
More tutorial sessions were carried out by the concerned faculty.

Teachers Feedback on Curricular Aspects

Feedback for action
Students are motivated and learn more topics than given in the syllabus
Action Taken
More Guest Lectures were arranged to gather information apart from the syllabus

Employers Feedback on Curricular Aspects

Feedback for action
Advanced updated electives are needed.
Action Taken
Electives like Town planning and Smart materials and Structureswere included in the curriculum.

Alumni Feedback on Curricular Aspects

Feedback for action
Quality of books and support material available for the syllabus taught. Gathering of information related to Industrial expectation is required.
Action Taken
Recent and relevant text books were made available in the Library. In addition to that E-content materials were provided to the students. Industrial expectations were shared by alumni through Guest lectures.

R. Anjomitu

PROFESSOR & HEAD,
Department of Civil Engineering
Periyar Maniammai Institute of Science & Technology,
Periyar Nagar, Vallam, Thanjavur-613 403.

Department of Electronics and Communication Engineering

Programme : B.Tech. ECE

Students Feedback on Curricular Aspects

Feedback for action
Networking and OOPS courses can be offered.
Action Taken
Networking and OOPS courses are being offered in 5th Semester Regulation 2018

Teachers Feedback on Curricular Aspects

Nil
Action Taken
Nil

Employers Feedback on Curricular Aspects

Feedback for action
Relationship with seniors/peers/subordinates Mini projects and project areas could be assigned based on Regional/national need
Action Taken
Seminars and invited lectures arranged with Alumni as resource person Societal need based topics were given to the students for core courses to their case studies, concept making and also the mini projects titles was allotted.

Alumni Feedback on Curricular Aspects

Feedback for action
The core courses and core electives were organized well
Action Taken
The core courses and electives are followed as given

V. Nivedhi

Head of the Department
Department of Electronics and Communication Engineering
Periyar Maniammai Institute of Science and Technology
Vallam, Thanjavur - 613 403.

Department of EEE

Programme : B.Tech. EEE

Students Feedback on Curricular Aspects

Feedback for action
Professional Elective courses that focus current Industry needs as well as Research can be offered
Action Taken
Syllabus contents of some Professional Electives were updated.

Teachers Feedback on Curricular Aspects

Feedback for action
Topics that reflect recent trends in the Industry must be added.
Action Taken
Recent topics that focus on current trends and future technologies have been included.

Employers Feedback on Curricular Aspects

Feedback for action
New Courses focusing the latest employability skills have to be included in the curriculum.
Action Taken
Sequence of subjects has been modified to suit the flow of learning as suggested by the industry experts

Alumni Feedback on Curricular Aspects

Feedback for action
Subjects that highlight recent technologies can be included Core Electives
Action Taken
Student publications in reputed journals, magazines, newsletters etc., are encouraged on a continual basis.

Head of the Department
Dept. of Electrical & Electronics Engg.,
Periyar Maniammai Institute of Science & Technology,
Vallam, Thanjavur - 613 403.

Department of Mechanical Engineering

Programme : B.Tech. Mechanical Engineering

Students Feedback on Curricular Aspects

Feedback for action   The courses learnt this year has continuity with the previous year   New lab experiments can be added in the syllabus based on industrial needs.
Action Taken   Students will be given both theory and practical courses in the same semester so they can also able to enhance their hands on training in the same semester.   Students Curriculum and syllabus has been finalized through BOS meetings by various Academic and Industrial experts for their betterment.

Teachers Feedback on Curricular Aspects

Feedback for action   The syllabus of the courses taught during this academic year is adequate for this programme.   Some electives can be changed as core subjects based on its importance.
Action Taken   Syllabus and contact hours have been set by various Academic and Industrial experts in BOS to enhance their academic skills.

Employers Feedback on Curricular Aspects

Feedback for action   The programme syllabus and structure is designed for making students industry ready   Relationship with seniors/peers/subordinates   Some new lab experiments can be added in lab courses.
Action Taken   In every Board of Studies meeting industrial experts and employers are being called for sharing their experience and expectations in designing an industry needed curriculum topics to make students to get success in well competitive industrial environment.

Alumni Feedback on Curricular Aspects

Feedback for action   Alumni Association/ Network of old friends   Curriculum and Syllabus was very good and as per the norms.
Action Taken   Students and Alumnus will be touch in with various social media platforms like Facebook, WhatsApp, etc.,   Every year Alumni Programmes and Meet have been organized for the passed out students to share their experiences and challenges in working environment with their junior friends.

Dr. D.JEYASIMMAN, M.E., Ph.D.
Associate Professor & Head.
Department of Mechanical Engg.
Periyar Maniammai Institute of
Science & Technology,
THANJAVUR - 613 403.

Programme : B. Tech. Computer Science and Engineering

Students Feedback on Curricular Aspects

Feedback for action
Placement related coaching classes can be given in 1st and 3rd Saturdays
Action Taken
Placement related activities like Group discussion, Aptitude test are conducted in soft skill hours during working days.

Teachers Feedback on Curricular Aspects

Feedback for action
The content of Java Programming course is vast. It cannot be accommodated in 45 hours. Moreover, it does not have the practical component.
Some of the contents of software Engineering course need to be modified.
Action Taken
The Java Programming course content was modified.
The content in Software Engineering course was modified.

Alumni Feedback on Curricular Aspects

Feedback for action
IOT concepts can be included in the curriculum to enrich their knowledge level.
Action Taken
IOT course in introduced as one credit course in the curriculum.

Head of The Department,
Department of Computer Science and Engineering,
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar. Vallam - 613 403, Thanjavur.
Tamil Nadu. India.

Department of Computer Science and Applications

Programme : BCA

Students Feedback on Curricular Aspects

Feedback for action
Depth of the course content & project work/practical/studio etc.

Action Taken
The Syllabus and Curriculum has been set as per the AICTE norms and the feedbacks collected from the Industrial experts, employers and alumni.

Teachers Feedback on Curricular Aspects

Feedback for action
Students are motivated and learn more topics than given in the syllabus.

Action Taken
Skill development programmes were arranged.

Employers Feedback on Curricular Aspects

Feedback for action

Action Taken
Facilities help to provide the employment updates in regularly for the students

Alumni Feedback on Curricular Aspects

Feedback for action
Alumni Association/ Network of Old Friends

Action Taken
In order to enrich the knowledge, we provided guest lectures workshops with hands on experience, skill oriented programmes by inviting academic experts and industry experts. Arranged alumni Association twice.

Head of the Department,
Department of Computer Science and Applications
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar, Vallam-613 403, Thanjavur.
Tamil Nadu, India.

11

Programme : MCA

Students Feedback on Curricular Aspects

Feedback for action	Depth of the course content & project work/practical/studio etc.
Action Taken	More jobs oriented core and elective courses are added in the Curriculum. Some advanced and latest topics are added in the curriculum and syllabus.

Teachers Feedback on Curricular Aspects

Feedback for action	Lab/Studio and other facilities are adequate.
Action Taken	Department decide to include research based programme in our curriculum and syllabus coming Regulation. Flexible to learn core elective courses and professional courses offered across the departments

Employers Feedback on Curricular Aspects

Feedback for action	Nil
Action Taken	Added employability oriented courses in the Curriculum.

Alumni Feedback on Curricular Aspects

Feedback for action	The programme offered has syllabus which is contemporary
Action Taken	More job oriented core and elective courses will be add in the upcoming Regulations. The department follows continuous review system on the curriculum with the help of committee members

Head of the Department,
Department of Computer Science and Applications
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar. Vallam-613 403. Thanjavur.
Tamil Nadu. India.
