

**PERIYAR
MANIAMMAI**
INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University)
Established Under Sec. 3 of UGC Act, 1956 • NAAC Accredited
think • innovate • transform

Criterion 1 – Curricular Aspects

Key Indicator	1.4	Curriculum Enrichment
Metric	1.4.2	Feedback processes of the institution may be classified as follows: A. Feedback collected, analysed and action taken and feedback available on website B. Feedback collected, analysed and action has been taken C. Feedback collected and analysed D. Feedback collected E. Feedback not collected

Feedback on Curricular Aspects Feedback Action Taken Report Academic Year 2017-18

Department of Architecture

Programme :B.Arch.

Students Feedback on Curricular Aspects

Feedback for action

The courses learnt this year has continuity with the previous year

Action Taken

Building material and construction courses were designed in continuity as Building material and Construction I to VI in Curriculum and syllabus 2019

Teachers Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

Employers Feedback on Curricular Aspects

Feedback for action

Relationship with seniors/peers/subordinates

Action Taken

Introduced vertical studio to enhance the relationship between seniors, peers and subordinates

Alumni Feedback on Curricular Aspects

Feedback for action

Infrastructure & Lab facilities are adequate to cover the syllabus

Training & Placement is adequate

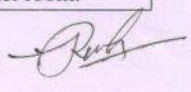

Hostel Facilities

Action Taken

Department of Architecture established climatology lab in 2019

Department of Architecture strengthened the Alumni association in January 2020 and created employment opportunity to students through alumni offices.

Mosquito net installed in windows to prevent insects entering into the hostel room.

Head of the Department,
Faculty of Architecture & Planning,
Periyar Maniammai
Institute of Science & Technology,
(PMIST), Periyar Nagar, Vallam,
Thanjavur-613 403, Tamilnadu.

Department of Aerospace Engineering

Programme :B.Tech.Aerospace Engineering

Students Feedback on Curricular Aspects

Feedback for action

Need more research facilities.
This programme is highly helpful for our future .

Action Taken

Installed CATIA and ANSYS licensed software's in Aero CAD lab

Teachers Feedback on Curricular Aspects

Feedback for action

More courses related to Aerospace Engineering can be added in main curriculum rather than as professional elective.

Action Taken

Core subjects will be given in main curriculum after the discussion in DAC and BOS meetings.

Employers Feedback on Curricular Aspects

Feedback for action

Add more research components in the curriculum

Action Taken

Motivated the students to publish / present their project in National/ International Conferences

Alumni Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

(R. K. MUTHURAMAN)

Head
Department of Aerospace Engineering
Yarabhammal Institute of Science & Technology
Periyar Nagar, Vallam, Thanjavur - 613 023

Department of Biotechnology

Programme :B.Tech. Biotechnology

Students Feedback on Curricular Aspects

Feedback for action

Teaching learning process helped me to learn easily
Video lectures and live demo can be used to illustrate the subject to make the learning process easier.

Action Taken

Video lectures, audio books and live demos have been used to illustrate the subject and to make the learning process easier.

Teachers Feedback on Curricular Aspects

Feedback for action

Topics that reflect the recent trends in the domain may be included

Action Taken

Innovative project relevant to current scenario was planned.
Students were encouraged to explore the recent developments in the field, while doing their project.

Employers Feedback on Curricular Aspects

Feedback for action

The lab/studio/project components have helped the employee acquire adequate practical knowledge
Practical knowledge of the subject can be improved by encouraging Industrial training

Action Taken

Lab facilities have been enhanced by servicing the equipment so as to impart practical knowledge to students.

Alumni Feedback on Curricular Aspects

Feedback for action

Training & Placement is adequate.
Students can be encouraged to undergo implant training in relevant industry to update their knowledge in the subjects prescribed in the syllabus.

Action Taken

Job oriented curriculum was planned as per the suggestion of Alumni.
Discussion was made with Placement cell to arrange for campus recruitment drive.

Department of Civil Engineering

Programme :B.Tech. Civil Engineering

Students Feedback on Curricular Aspects

Feedback for action

More interaction sessions has to be included

Action Taken

Experts from various disciplines were invited for Knowledge Enrichment programme.

Teachers Feedback on Curricular Aspects

Feedback for action

Recent topics has to be included in the syllabus

Action Taken

The students are motivated to participate in technical events like Seminar, Symposium and International conference.

Employers Feedback on Curricular Aspects

Feedback for action

Show more attention towards project and lab components

Action Taken

One credit course incorporated in the syllabus.

Students were motivated to develop models for lab components.

Alumni Feedback on Curricular Aspects

Feedback for action

Canteen facilities has to be improved

Action Taken

Canteen facilities improved

Periodical software training programmes were conducted under CCDP.

R. Ananthan

PROFESSOR & HEAD,
Department of Civil Engineering
Periyar Maniammai Institute of Science & Technology,
Periyar Nagar, Vallam, Thanjavur-613 403.

Department of Electronics and Communication Engineering

Programme :B.Tech.ECE

Students Feedback on Curricular Aspects

Feedback for action
Programming with C and C++and Computer Hardware Servicing and Networking Papers are to be offered
Action Taken
Programming with C and C++and Computer Hardware Servicing and Networking Papers have been offered in curriculum.

Teachers Feedback on Curricular Aspects

Feedback for action
Topics on IIR and FIR should be rearranged in Digital Signal Processing
Action Taken
Topics on IIR and FIR should be rearranged in Digital Signal Processing

Alumni Feedback on Curricular Aspects

Feedback for action
Nil
Action Taken
Nil

V. Murugesu

Head of the Department
Department of Electronics and Communication Engineering
Periyar Maniammai Institute of Science and Technology
Vellam, Thanjavur - 613 403.

Vellam, Thanjavur - 613 403.

Programme :M.Tech. Nanotechnology (Integrated)

Students Feedback on Curricular Aspects

Feedback for action

The time allotted for the courses matched my pace of learning.
Whether the teacher gets feedback before the commencement of the lecture?

Action Taken

Time table and contact hours for the courses are allotted based on the credits given in curriculum
Teachers are instructed to collect the feedback before the class commencement

Teachers Feedback on Curricular Aspects

Feedback for action

Lab/Studio and other facilities are adequate.
Lab facilities are not sufficient enough

Action Taken

The lab facilities UV Visible, Sonicator, Ball .milling and thin film techniques were installed in synthesis lab

Employers Feedback on Curricular Aspects

Feedback for action

The lab/studio/project components have helped the employee acquire adequate practical knowledge
Open to new ideas and learning new techniques

Action Taken

CSIR laboratory and institutional visits were arranged to give the exposure on technological development and projects conducted in different labs and industrial R&D for both faculties and students
Students are facilitated to apply. for their main project (One year) in reputed national Institutes /Laboratories

Alumni Feedback on Curricular Aspects

Feedback for action

Infrastructure & Lab facilities are adequate to cover the syllabus
Quality of books and support material available for the syllabus taught

Action Taken

The lab facilities UV Visible, Sonicator, Ball milling and thin film techniques were installed in synthesis lab
Additional reference books were purchased and maintained in department Library

V. Vinayini

Head of the Department
Department of Electronics and Communication Engineering
Periyar Maniammai Institute of Science and Technology
Vellam, Thanjavur - 613 403.

Department of EEE

Programme :B.Tech. EEE

Students Feedback on Curricular Aspects

Feedback for action

Courses that lead to both employability and entrepreneurship can be distributed in higher semesters.

Action Taken

Additional one credit courses have been included in alignment with the trending requirements to enhance students' knowledge.

Teachers Feedback on Curricular Aspects

Feedback for action

Topics that reflect the recent trends in the domain may be included

Action Taken

Few trending topics have been included as per Teacher's suggestions.

Employers Feedback on Curricular Aspects

Feedback for action

New Courses that reflect the current employable requirements may be included.

Action Taken

List of Value-Added Courses was highly appreciated by Industry experts.

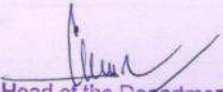

Alumni Feedback on Curricular Aspects

Feedback for action

Updated Core Subjects and Core Electives have enhanced performance.

Action Taken

Online journals and books are made available to all students and faculty for quick reference.

Head of the Department
Dept. of Electrical & Electronics Engg.,
Periyar Maniammai Institute of Science & Technology,
Vallam, Thanjavur - 613 403.

Department of Mechanical Engineering

Programme :B.Tech. Mechanical Engineering

Students Feedback on Curricular Aspects

Feedback for action

The courses learnt this year has continuity with the previous year
The time allotted for the courses matched my pace of learning.
Depth of the course content & project work/practical/studio etc.
Electives can be separated based on industrial importance.

Action Taken

Curriculum has been designed and revised through various Academic as well as Industrial experts in Board of Studies Meeting and Academic Council Meeting based on the students benefit and current trends as well as industrial importance.
Time table and number of contact hours have been created as per UGC norms and credits of the courses.
Course contents are peer reviewed by the industrial and academic experts in BOS meeting. Project works will be reviewed periodically in order to get the desired output.

Teachers Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

Employers Feedback on Curricular Aspects

Feedback for action

Self-motivated and taking on appropriate level of responsibility
Some more lab experiments can be added in theory cum lab courses.

Action Taken

Students will be given various soft skill training programmes as well as personality development programmes in order to get self motivated and also improve the morale in working environment.

Alumni Feedback on Curricular Aspects

Feedback for action

Infrastructure & Lab facilities are adequate to cover the syllabus
Quality of books and support material available for the syllabus taught.
Stream wise professional electives can be given.

Action Taken

Well equipped and maintained lab facilities and Internet facilities have been provided to students in order to enhance their skills towards engineering.
Students will also be given some advanced lab trainings like Bosch Rexroth automation centre, CNC, etc.
Central library is having updated curriculum reference books and latest editions, volumes for the students and others.

Dr. D. JEYASIMMAN, M.E., Ph.D.
Associate Professor & Head,
Department of Mechanical Engg
Pondicherry Maniammai Institute of
Science & Technology,
THANJAVUR - 613 003.

Jeyasimman

Department of Computer Science and Engineering

Programme : B. Tech. Computer Science and Engineering

Students Feedback on Curricular Aspects

Feedback for action

Software Engineering shall be given as a Professional Core Course

Action Taken

Software Engineering Course has been included in the curriculum as a Professional Core Course

Teachers Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

Alumni Feedback on Curricular Aspects

Feedback for action

Analog Electronic course and Digital Electronics shall be combined as a single subject.

Action Taken

Analog and Digital Electronic Circuits has been included in the curriculum.

Head of The Department,
Department of Computer Science and Engineering,
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar, Vallam - 613 403, Thanjavur.
Tamil Nadu, India.

Department of Computer Science and applications

Programme :BCA

Students Feedback on Curricular Aspects

Feedback for action

Depth of the course content & project work/practical/studio etc.

Action Taken

The Syllabus and Curriculum has been set as per the AICTE norms and the feedbacks collected from the Industrial experts, employers. To enable lifelong learning with updated syllabus, new developmental electives are offered as listed below.

- Machine Learning using python
- Python programming
- Data science using R programming
- IOT
- Data Analytics using MS-Excel

Teachers Feedback on Curricular Aspects

Feedback for action

Students are motivated and learn more topics than given in the syllabus.

Action Taken

Students are motivated and participated in various seminars, workshops, symposiums and conferences to enhance their knowledge.

Employers Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

Alumni Feedback on Curricular Aspects

Feedback for action

Training & Placement is adequate

Action Taken

Both CUII and the Department have organized many personality development and skill enhancement courses to inculcate the students with good knowledge about latest trends.

Head of the Department,
Department of Computer Science and Applications
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar, Vallam-613 403, Thanjavur,
Tamil Nadu, India.

Programme :MCA

Students Feedback on Curricular Aspects

Feedback for action

Depth of the course content & project work/practical/studio etc.

Action Taken

As per AICTE norms, the curriculum And syllabuses were framed.
Given Real time Project works based on theory concepts

Teachers Feedback on Curricular Aspects

Feedback for action

Lab/Studio and other facilities are adequate.

Action Taken

Value added courses offered Across the departments. Such as IOT, Python

Employers Feedback on Curricular Aspects

Feedback for action

Nil

Action Taken

Nil

Alumni Feedback on Curricular Aspects

Feedback for action

Training & Placement is adequate.

Action Taken

Placement related soft skill training provided
Python, IOT, Cloud Computing, Big Data, R Programming courses are included as value added courses.

Head of the Department,
Department of Computer Science and Applications
Periyar Maniammai Institute of Science and Technology,
Periyar Nagar, Vallam-613 403, Thanjavur,
Tamil Nadu, India.

Department of Software Engineering

Programme :M.Sc. Software Engineering

Students Feedback on Curricular Aspects

Feedback for action

Mobile Application Development Syllabus can be revised.

Action Taken

Mobile Application Development Syllabus has been revised in Regulation 2018

Teachers Feedback on Curricular Aspects

Feedback for action

Big Data Analytics using R can be included.

Action Taken

Lab session for Big Data Analytics using R has been included in Regulation 2018

Employers Feedback on Curricular Aspects

Feedback for action

Python Programming course can be included.

Action Taken

Python Programming course has been included in Regulation 2018

Alumni Feedback on Curricular Aspects

Feedback for action

Python Programming course can be included.

Action Taken

Python Programming course has been included in Regulation 2018

HEAD OF THE DEPARTMENT
Department of Software Engineering
Periyar Maniammai Institute of
Science & Technology

THANJAVUR - 613 403, TAMILNADU

Department of Commerce

Programme : B.Com.

Students Feedback on Curricular Aspects

Feedback for action

Depth of the course content & project work/practical/studio etc.

Action Taken

Course contents modified.

Teachers Feedback on Curricular Aspects

Feedback for action

The syllabus of the courses taught during this academic year is adequate for this programme.

Action Taken

Syllabus and curriculum updated according to needs of industry.

Employers Feedback on Curricular Aspects

Feedback for action

Self-motivated and taking on appropriate level of responsibility
More Guest lecturers of industrialist could be arranged.

Action Taken

More guest lectures of industrialist arranged by the department

Alumni Feedback on Curricular Aspects

Feedback for action

Training & Placement is adequate.
Additional course like Tally, SPSS can be introduced to the betterment of students' carrier.

Action Taken

Tally and SPSS training provided to the students.

ne. J. Jayanthi
DR. N. JAYANTHI

Programme :B.Com. Hons

Students Feedback on Curricular Aspects

Feedback for action

Whether the teacher gets feedback before the commencement of the lecture

Action Taken

Teachers are instructed to ask feedback after completion of class.

Teachers Feedback on Curricular Aspects

Feedback for action

A value added course can be introduced in the forthcoming academic year for the betterment of students

Action Taken

Value added courses have been conducted.

Employers Feedback on Curricular Aspects

Feedback for action

Self-motivated and taking on appropriate level of responsibility

Action Taken

More guest lectures were arranged by the department.

Alumni Feedback on Curricular Aspects

Feedback for action

Quality of books and support material available for the syllabus taught.

Action Taken

High standard books included in the department library.

re. Jants
Dr. N. JAYANTHI

Department of Education

Programme :B.Sc.B.Ed.

Students Feedback on Curricular Aspects

Feedback for action

Depth of the course content & project work/practical/studio etc.
We want more library hours to refer the text and reference books.

Action Taken

Mini projects and projects included in as one of the CA3 components.
Library hours were included for each class in the regular Time Table.

Teachers Feedback on Curricular Aspects

Feedback for action

Lab/Studio and other facilities are adequate.
Recommended to arrange more skill developmental programs

Action Taken

Steps were taken to fix LCD projector in each class.
The trending equipment of technical fest with the various needs of students and faculty on their knowledge development.

Employers Feedback on Curricular Aspects

Feedback for action

Relationship with seniors/peers/subordinates

Action Taken

Conducted Inter-collegiate Science Expo to help our students to do mini projects in collaboration with other department students.

Head, Department of Education,
Periyar Maniammai Institute of Science & Technology,
Vallam, Thanjavur - 613 403.

Department of Management studies

Programme :BBA

Students Feedback on Curricular Aspects

Feedback for action

Some part of courses can be taught in Tamil

Action Taken

As students from rural base, faculties were instructed to clear the doubts in Tamil language as and when needed.
--

Teachers Feedback on Curricular Aspects

Feedback for action

Basic Computer labs can be provided

Action Taken

Computer lab was established.

Sathyapriya J

DR. SATHYAPRIYA J

Programme : Master of Social Work

Students Feedback on Curricular Aspects

Feedback for action

Special guest lecture can be arranged for Development Management specialization to get more insight on current trends.

Action Taken

Special Lecture arranged for Development Management Specialization emphasising on Current scenario and emerging challenges

Teachers Feedback on Curricular Aspects

Feedback for action

Motivate the students to participate more on co-curricular and extracurricular activities

Action Taken

Motivated the students to participate in co-curricular and cultural meet organized by various institutions in Tamilnadu.

Employers Feedback on Curricular Aspects

Feedback for action

Training on Proposal writing and Fund raising techniques can be given.

Action Taken

Our department gave Hands on Training to our students on proposal writing and various techniques of fund raising

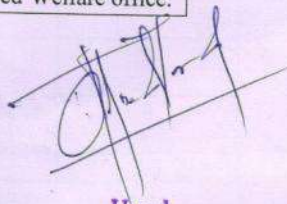

Alumni Feedback on Curricular Aspects

Feedback for action

Extend the students field work placement to government organizations and government projects

Action Taken

Final year student got field work placements in District Differently abled Welfare office.

Head,
Department of Social Work,
Periyar Maniammai Institute of Science and Technology,
Vallam, Thirunjavur - 613 403.
