CALENDAR 2016 - 17

POLICY ON ACADEMIC HONESTY

1. All students / faculty members / staff members / stakeholders of the Periyar Maniammai University are expected to do their work themselves in order to earn the academic credits. The University upholds academic honesty and integrity in all the spheres of its activity.

2. Students who resort to unfair activities such as copying from the original work of others or seeking the help of others for completing their assignments or indulging in malpractices in examinations or tests or other evaluations are considered dishonest.

3. Also, allowing others to copy from one's work, or permitting someone else to use one's work for earning academic credits are academic dishonesty.

4. Causing hindrances or obstacles to a faculty member / student or preventing her / him from realizing their academic goals / aspirations in their pursuit of research and scholarly activities are academic dishonesty.

5. Any evidence of academic dishonesty among its students will entail them to lose all marks in the assignment or examination, or subject them to more stringent penalties, besides their names being notified to the Office of the Dean(Academics) for inclusion in their confidential records.

6. This policy is to uphold the reputation of the University for the benefit of its students, faculty members and other stakeholders.

BRIEF HISTORY OF THE UNIVERSITY

Periyar Maniammai University has had its origin from Periyar Maniammai College of Technology for Women established in 1988, by Periyar Maniammai Educational and Charitable Society, Chennai-7. Named after the great social reformer of the twentieth century, E.V. Ramasamy, fondly known as Thanthai Periyar and his philanthropic wife Annai Maniammaiyar, the Periyar Maniammai College of Technology for Women has its credit of being the first Women's Engineering College in the world. The primary object of the college was on institutionalizing the lofty ideals of Periyar by paving the way for women's emancipation by providing increased access to higher education in Science and Technology and encouraging their participation in social, national and global development.

The College was started with the approval of All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirapalli, Tamil Nadu. Later, it started functioning under affiliation to Anna University, Chennai from 2001.

The College has made several landmark achievements continuously in the field of Technical Education, and in the areas of Women Empowerment and Social Development since inception. In addition to the under graduate, postgraduate and doctoral programmes in Humanities, Science, Engineering, Architecture and Technology, it has rendered a yeoman service in the area of health and hygiene for rural people and provided viable technology-inputs for their social and economic well being.

Gone are days when women were discriminated against on gender bias. Thanthai Periyar wanted women to take up their right role in all walks of life. Women and Men are equal in all respects. Hence, Co-education is the need of the hour. In tune with this principle, the University has been offering Co-education in all branches of learning.

Considering its academic excellence in teaching, research and extension programmes and many socially relevant projects, the Government of India / MHRD had conferred the Status of University on the College under section 3 of the UGC Act, 1956 on the recommendation of the UGC, New Delhi on August 17, 2007.

The Periyar Maniammai University is located on a land area of 216 acres, which once were barren and dry and unfit for human habitation and agricultural cultivation in a typically rural area. This land has been transformed into a land of thick foliages, green vegetation and a technology-hub. It is an energy efficient pollution-free, zero waste and well-laid campus with an ambience for learning. By its location, the campus offers an ideal environment for teaching, research and living. Though situated in a rural setting it has all the advantages of any urban location.

The University is situated at 10 km towards west from Thanjavur and 45 km on the east from Tiruchirapalli and is easily accessible by road, rail and air. The institution has got accreditation from NBA since 1998 for selected courses. Further the University has got NAAC accreditation. The University has also implemented the innovative examination pattern inline with European Credit Transfer and Accumulation System (ECTS).

The Periyar Maniammai University is providing high quality education at Undergraduate, Postgraduate and Doctoral levels in an environment that promotes innovation and creativity, scholarly pursuits by creating state-of-the-art infrastructure, employing competent faculty and committed support staff, world-class instructional and learning facilities, all driven by its values. It will reach out to the un-reached, explore new avenues of education to fulfill the knowledge and skill needs of the Nation, particularly of industries, business and social sectors.

The University shall be alive to the changing socio, techno-economic needs of the nation, and with its futuristic outlook will deliver education that works and emerge as an institution of national importance. In appreciation of the fact that the Universities are one of society's key institutions available today to respond to changing societal imperatives, the Periyar Maniammai University has worked on new road maps and made appropriate changes in the role of University, based on intelligent redesign of its offerings and enhancement of quality of its service, including the quality of the total experience of its scholars and teachers and stake-holders. It shall investigate and solve the most challenging, fundamental problems in many fields of science and technologies in a singularly congenial, interdisciplinary atmosphere, while producing outstanding graduates to become creative

members of society. The strength of the University lies in its commitment to continuously improve its system and people.

The Periyar Maniammai University seeks to provide a learning institution that will enable it to meet its declared mission viz. to provide the highest quality of education, training, research and consultancy.

The University has excellent infrastructure, state-of-the art laboratories, and modern equipments and student amenities. The entire University campus is networked through optical fibre cablings and Wi-fi connectivity. The University had signed MoU's with several International, National and regional Institutions and Industries. This enables for Training and Placement of Students Globally.

Periyar Maniammai University (PMU) has established the PMU - Bosch Rexroth Centre of Excellence for Training and Research in Automation Technologies in collaboration with Bosch Rexroth. The uniqueness of this institute lies in its state of the art technology, which has world class equipments, training kits, hardware, software and teaching aids with adequate faculties trained from Rexroth Germany. The Centre aims at training the industry personnel and students of various institutions from Engineering Degree, Diploma and Certified courses in the Automation field to enable our Industry personnel, faculty and students to have hands on experience and upgradation of technical skills which are essential for industry progress.

Periyar Maniammai University e-governance team comprised of faculty members and students of our University. This team is responsible for maintaining hardware and software, developing and maintaining the website and developing software which supports governance of the University. BRAIN (Brilliant Resources for Academic Institutions) is an ERP (Enterprise Resource Planning) package developed with a prime motive of automating all the University activities. This software enables user-friendly information access by the University management staff and students. As the entire data is available in the database, any analysis can be done at any desired point of time. Easy User interface design makes the system easer for staff and students.
