ABOUT PMIST
Periyar Maniammai Institute of Science & Technology is proud to be a unique institution of higher learning and academic excellence. In an endeavour to fulfil the dreams of our Mentor Thanthai Periyar and Annai Maniammaiyar, the University is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of calibre and by personal attention, and modern teaching methodology towards a Product / Process / Demo / Case Study teaching, they are shaped into career oriented professionals with bright future.
PMIST has been awarded as the Best Private University in India by ASSOCHAM. The University is making efforts to create new horizons in the arena of technical education and research. Curriculum innovation is given priority by the University to make the courses industry and research oriented. The dedicated and qualified faculty members routinely preach and practice for outcome based learning which leads towards an excellent academic career for the betterment of the students.
ABOUT DMMS
The Department of Management Studies was started in the year of 2007. In an effort to cater to the present day requirement for trained managerial talent, since its inception the department has been offering Master of Business Administration (MBA) with diversified specializations such as Human Resources, Marketing, Finance, Systems and Operations. The uniqueness of this MBA (Dual Specialization) programme is that the students are allowed to specialize in two areas of their choice concurrently.
The faculty members of the department have rich experience both in industry and academics. Some of the faculty members have worked abroad in countries such as United States of America, Singapore, Australia and Seychelles. The department regularly organizes Workshops, Faculty Development Programmes, Seminars and Conferences to enlighten the academic community. The faculty members of the management department are also actively involved in research. Outcome Based Education has been implemented in the academic year 2015-16. Faculty Office is situated at Periyar Knowledge Centre and has spacious classrooms equipped with AV services, wireless internet connections and facilities for e-learning
ABOUT THE CONFERENCE
India is in need of job creators rather than job seekers. India is in need of advancement in business management as it has to go hand in hand to have a sustainable development, so that populated country like our India will have a good future for the next generation. The advancement in business management practises and the new technologies which are going to come in near future have to be managed properly in all means of spectrum. The effective management style will deliver the expected result for the nation in present and future phase.
The valuable innovated ideas that are presented in the conference will be building block for the future India's vision to have an advanced development in the entire arena.
