Dear Students,

Greetings from PMIST!

On behalf of management, we thank you for your support and cooperation for the successful completion of the academic year 2019-20 in spite of unprecedented situation which the entire world has been passing through due to COVID-19 pandemic. With your support and of the faculty members and staff we have successfully conducted the Continuous Assessment II and III by online mode.

In the light of the “UGC Guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 Pandemic and Subsequent Lockdown”, and in pursuant to the decision taken in the 35th meeting of the Academic Council of PMIST held on 20.06.2020, the results for the courses conducted during 2019-20 even semester have been prepared based on the formative assessments. Accordingly, the results for the end semester will be announced on 20th July 2020. The supplementary examinations will be conducted in the subsequent semesters.

The Academic Year 2020-21 will be commenced through online mode from 3rd August 2020 for the odd semester of all the programmes. We request you to remit the Institute fees. We are confident that, the students and parents as well will continue to extend their fullest support and cooperation to the Institution.

The following instructions are given for your use:

- The regular classes for the odd semester for all the programmes by online will be commenced from 3rd of August
- The Timetable will be shared to the students by the class in-charges.
- The classes shall be a mix of live and prerecorded lectures.
- There will be a maximum of four sessions per day and 6 day per week (Monday to Saturday).

- Students are advised to utilize the internet resources optimally and plan their timings accordingly.
- Students are advised to refer the reading materials, PPT shared by the course teachers and also refer as many free online resources as possible from Swayam, NPTEL, National Digital Library etc.,
- All the Laboratory sessions shall be conducted once students physically return to the campus.
- For the Open elective the students are advised to register their course registration through PMIST website on or before 25th July 2020. The students can also take up any online courses offered under SWAYAM/NPTEL of 12 week duration apart from the open electives being offered by the institute.
- The mentors and class in charges will be in touch with the students frequently to sort out any difficulties being faced by the students then and there.

Have courage and resilience to overcome the challenges of COVID-19.

Stay safe and healthy.

Best Wishes.
